Date: 2022/11/21

Federal Communications Commission
7435 Oakland Mills Road
Columbia MD 21046

FCC ID : NKR-SWA54

To Whom It May Concern:

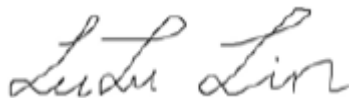

We, Wistron NeWeb Corporation, attest that this device under FCC ID NKR-SWA54 complies with device operational restrictions:

1. The device will not directly connect to another client device.
2. The device is restricted to indoor operation only.
3. The device will only associate and connect with an indoor Access Point (AP) or indoor Subordinate.
4. The device will always be under the control of an indoor AP. However, there may exist situations where the device may transmit brief messages, prior to being under the control of an AP, to join an AP network. But these brief messages will only occur if the device has detected a signal confirming that an AP is operating on a particular channel. These brief messages will have a time-out mechanism if the device does not receive a response from an AP.
5. The device cannot be used to provide connections between separate buildings or structures.
6. The device has no direct connection to internet.
7. Prohibited for control of or communications with unmanned aircraft systems including drones.

Respectfully,
