Evaluation of Symbol 41210000 Mobile Computer
FCC id: HP941210000

I have assessed the submission and found it to be compliant with the FCC part 15 rules.

The following points were noted during the evaluation.

- 1: The equipment is a de-featured version of the Symbol product with FCC ID H9P4121GPRS.
- 2: The product is not capable of co-transmission as declared by the manufacturer.
- 3: Only the antenna part number 10-64160-02 is approved for use with this device.

Yours sincerely
