|  <p>The diagram illustrates the physical dimensions of the antenna. It features a central horizontal section with a zigzag pattern. The total width of the top horizontal section is 13.3mm. The width of the leftmost vertical segment is 2.7mm. The width of the rightmost vertical segment is 4.6mm. The width of the bottom horizontal section is 11.2mm. The diagram also shows the antenna's polarization, with arrows indicating both horizontal and vertical orientations.</p> |                                                                                |
