November 20, 2001

RE: KYE Systems Corp

FCC ID: FSUGKZGB

I have a few comments on this Application.

- 1.) Please provide sample of label. We have location but no sample of the label.
- 2.) Please provide Occupied Bandwidth of this emission. Use a RBW set to 1% of the 20dBc emission bandwidth.
- 3.) Please confirm if device tested in three orthogonal planes.

William H. Graff
President and Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
