

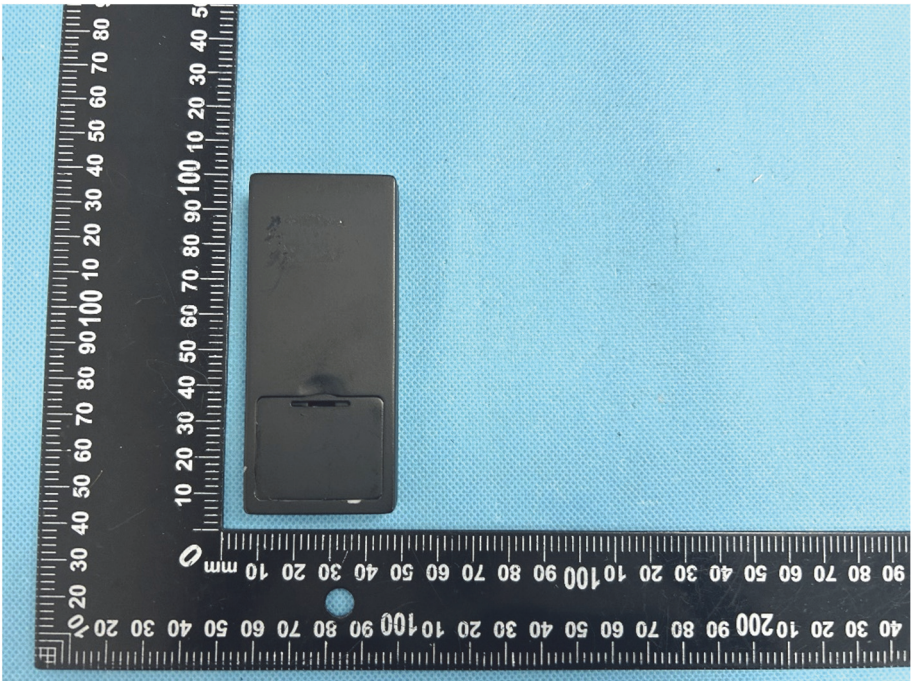

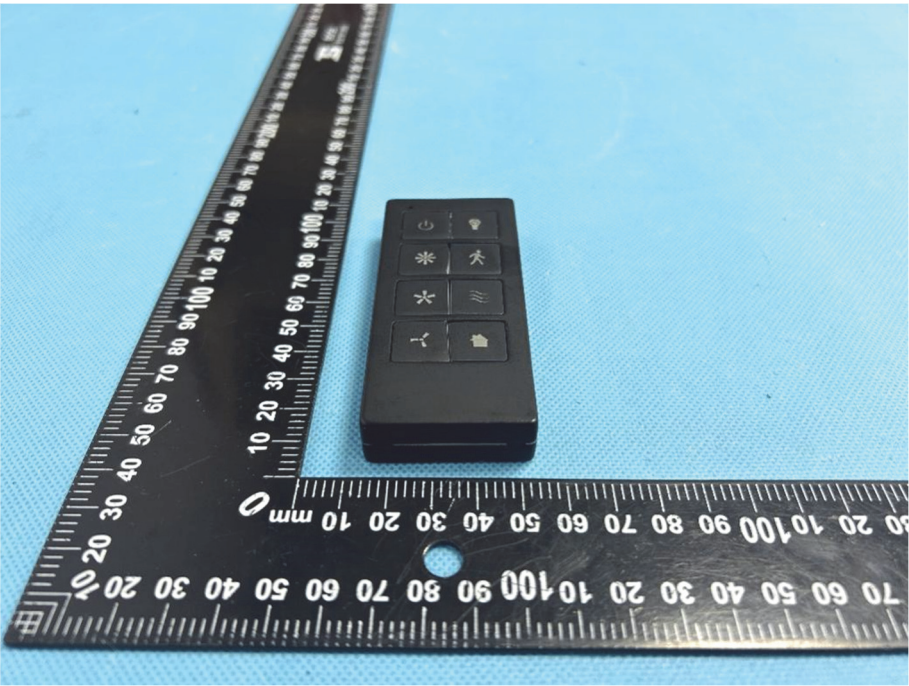

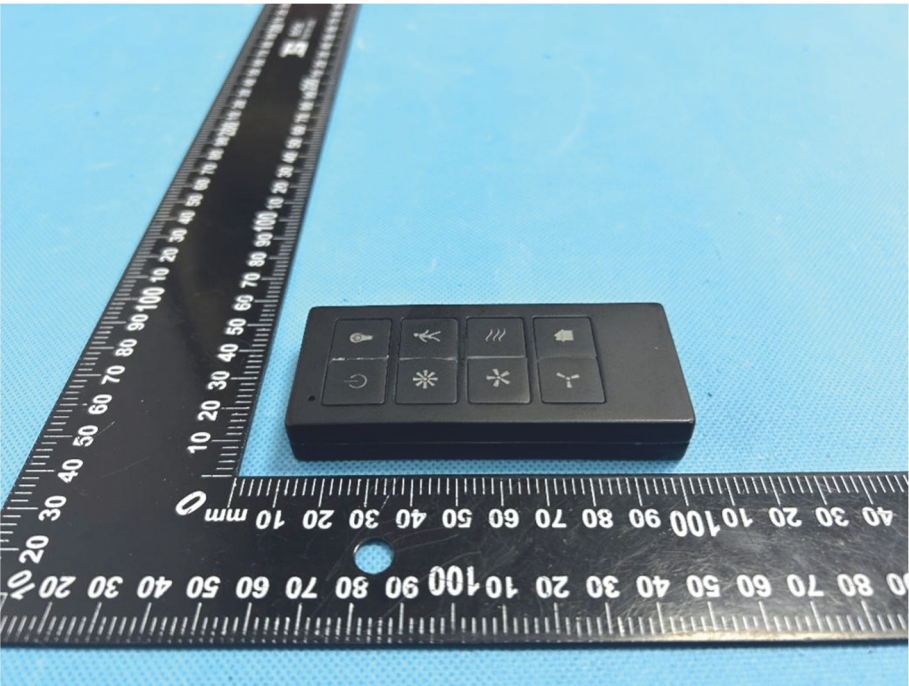

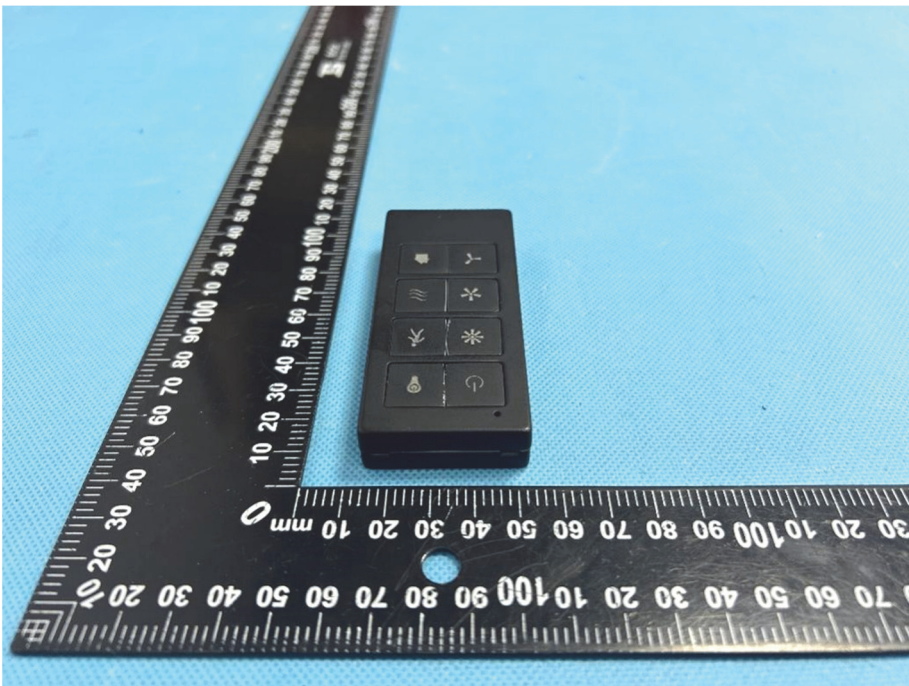

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front of a black rectangular electronic device. The device features a keypad with eight buttons arranged in a 2x4 grid. The buttons have the following icons: a power button (top-left), a light bulb (top-right), a star (second row, left), a person walking (second row, right), a fan (third row, left), a wavy line (third row, right), a signal tower (bottom-left), and a house (bottom-right). The device is placed on a blue textured surface. A black L-shaped ruler is positioned around the device, with white markings in centimeters and millimeters.
EUT View 2	 A photograph showing the back of the same black rectangular electronic device. The back is mostly plain black with some faint, illegible markings. A small rectangular feature, possibly a port or a label, is visible near the bottom edge. The device is placed on the same blue textured surface. A black L-shaped ruler is positioned around the device, with white markings in centimeters and millimeters.
