Columbia, Maryland 21046

SUBJECT: Request Class II Permissive Change for FCC ID: 2ATQRSBEC1V1

The purpose of this letter is to request a Class II permissive change for device ID 2ATQRSBEC1V1, granted on 12/30/2019.

The changes are on the software side to allow the device to operate on the same frequency bands found normally within the 2.4GHz, U-NII 1, and U-NII 3 technologies, but operating at 5 and 10 MHz bandwidth.

There is no hardware modification.

Sincerely,

A handwritten signature in black ink that reads 'Barry Ju' in a cursive script.
