

Solder Board-Component View 1	 A photograph showing a small, rectangular, blue printed circuit board (PCB) component. The component is positioned on a light blue, textured surface. A black L-shaped ruler is placed next to the component for scale. The ruler has white markings in millimeters, with the horizontal scale ranging from 0 to 100 mm and the vertical scale ranging from 0 to 100 mm. The component is located approximately at the 35 mm mark on the horizontal scale and the 25 mm mark on the vertical scale.
Solder Board-Component View 2	 A photograph showing the same small, rectangular, blue printed circuit board (PCB) component from a different angle. The component is positioned on the same light blue, textured surface. A black L-shaped ruler is placed next to the component for scale. The ruler has white markings in millimeters, with the horizontal scale ranging from 0 to 100 mm and the vertical scale ranging from 0 to 100 mm. The component is located approximately at the 35 mm mark on the horizontal scale and the 25 mm mark on the vertical scale.
