

Model Cobalt XT VR MRI SureScan with two different connector configurations

Connector Type VR_DF4

Connector Type VR_DF1

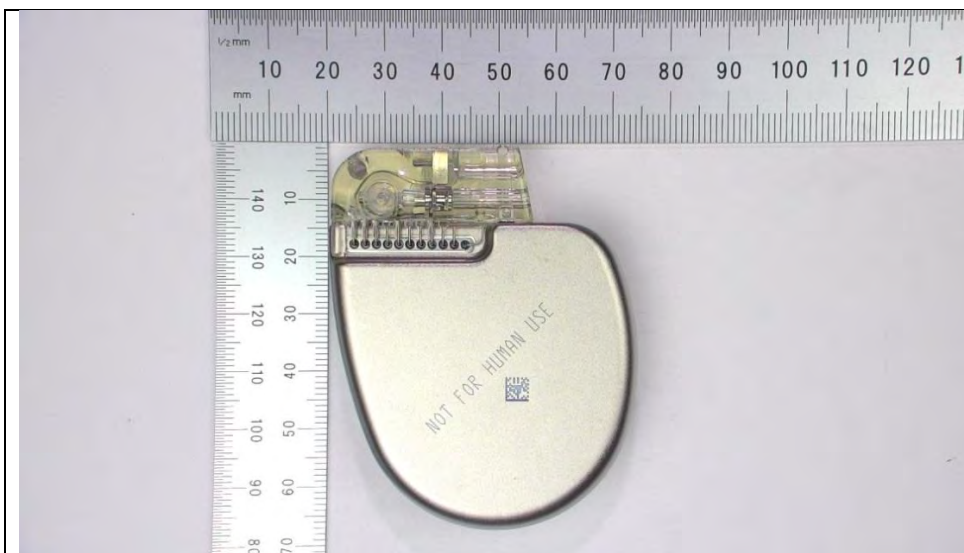

Note: All other external images of the Cobalt XT VR MRI SureScan show only the VR_DF1 connector type

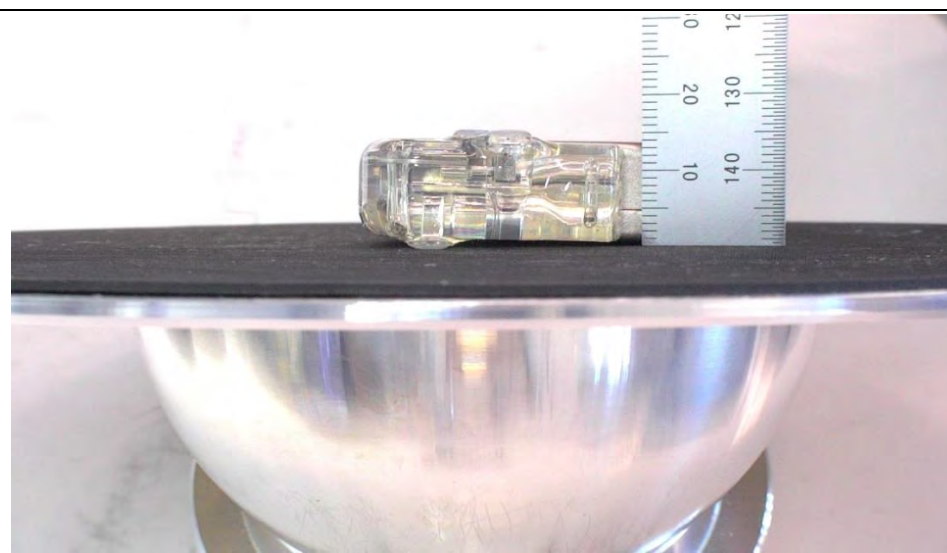

Model Cobalt XT VR MRI SureScan – left angle

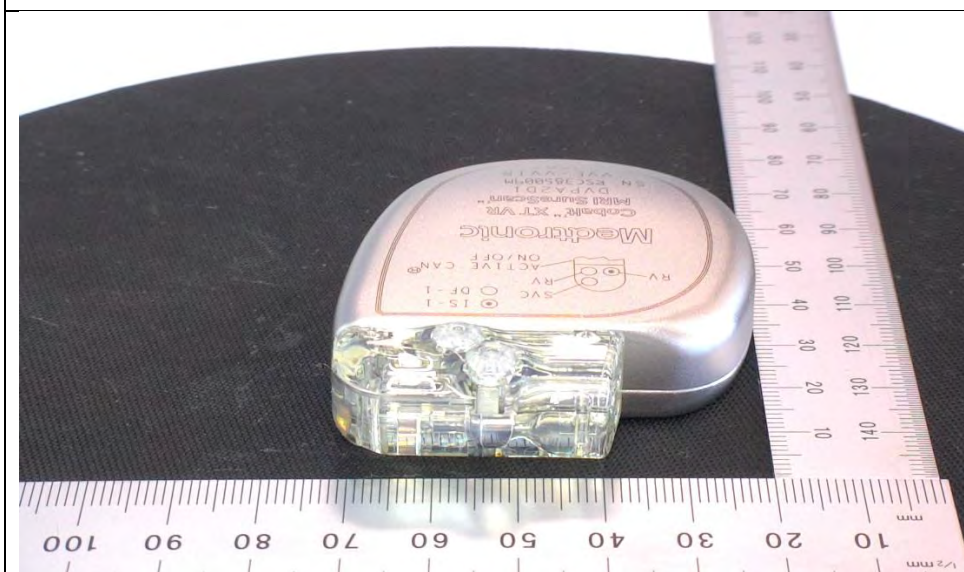

Model Cobalt XT VR MRI SureScan – right angle

Model Cobalt XT VR MRI SureScan - back

Model Cobalt XT VR MRI SureScan - thickness

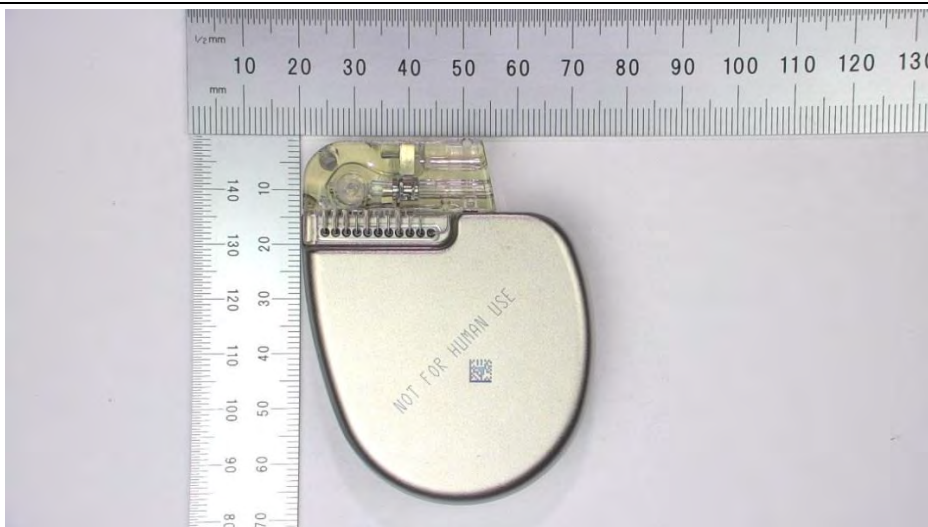

Model Cobalt XT VR MRI SureScan – top angle

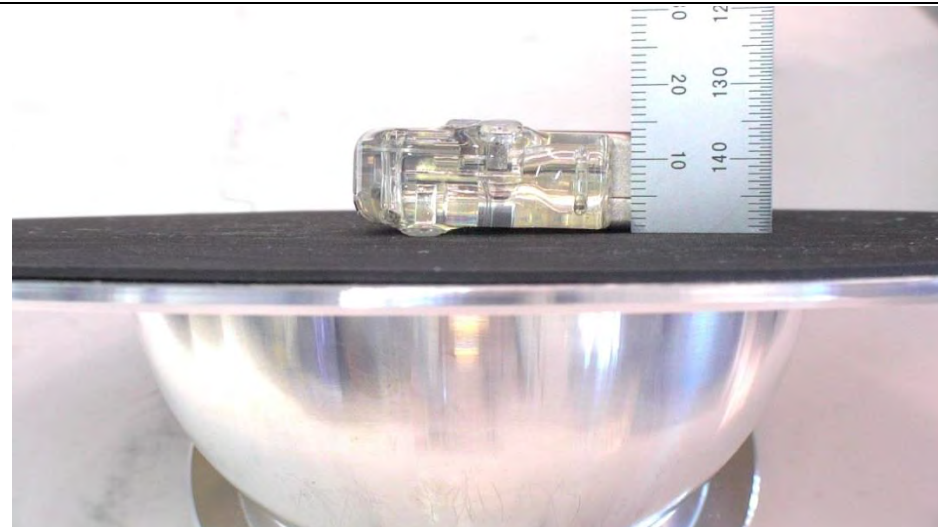

Model Cobalt XT VR MRI SureScan – bottom angle

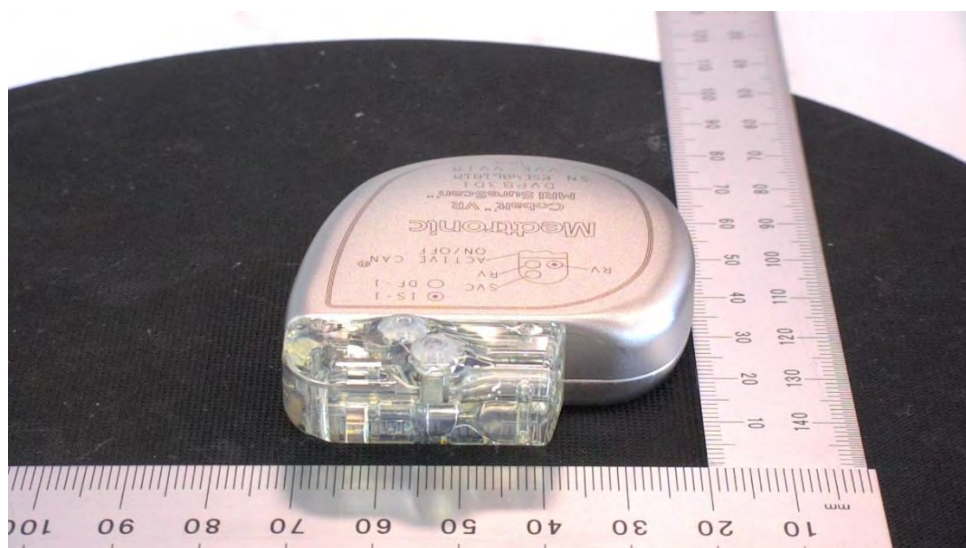

Model Cobalt VR MRI SureScan with two different connector configurations	
	
Connector Type VR_DF4	Connector Type VR_DF-1
Note: All other external images of the Cobalt VR MRI SureScan show only the VR_DF-1 connector type	
	
Model Cobalt VR MRI SureScan – left angle	Model Cobalt VR MRI SureScan – right angle

Model Cobalt VR MRI SureScan - back

Model Cobalt VR MRI SureScan - thickness

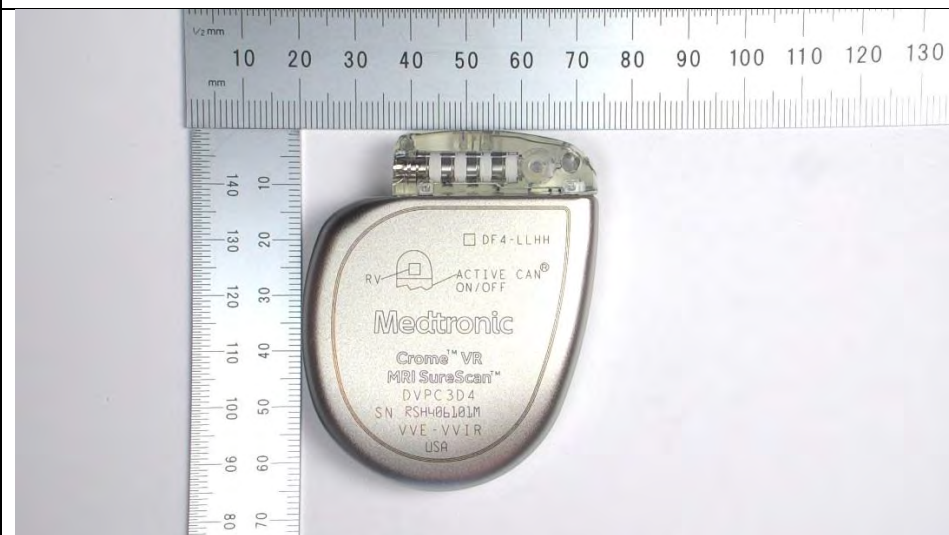

Model Cobalt VR MRI SureScan – top angle

Model Cobalt VR MRI SureScan – bottom angle

Model Crome VR MRI SureScan with two different connector configurations

Connector Type VR_DF4

Connector Type VR_DF-1

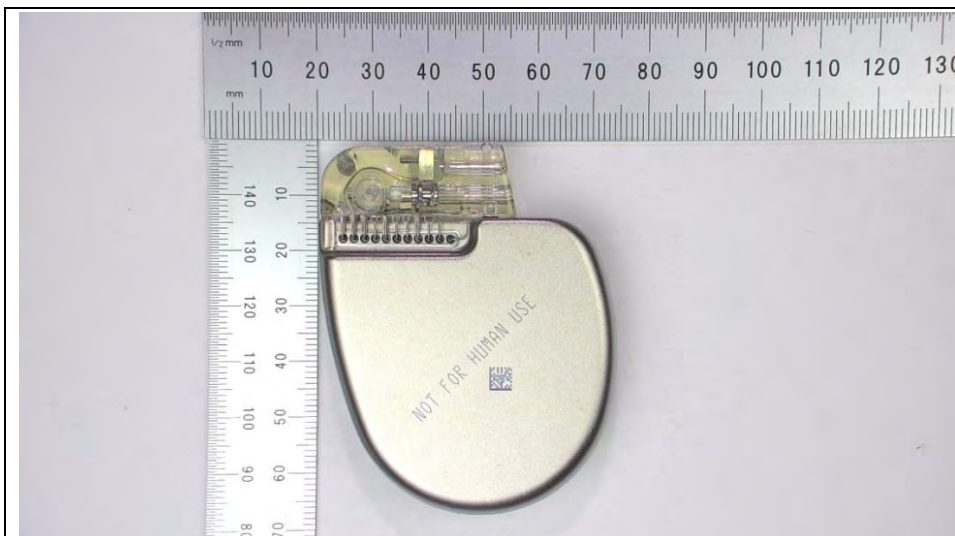

Note: All other external images of the Crome VR MRI SureScan show only the VR_DF-1 connector type

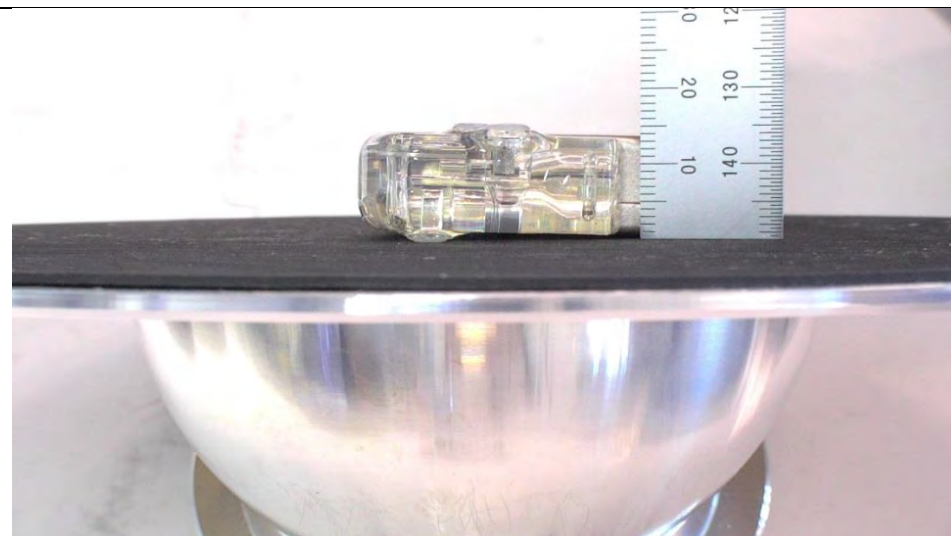

Model Crome VR MRI SureScan – left angle

Model Crome VR MRI SureScan – right angle

Model Crome VR MRI SureScan - back

Model Crome VR MRI SureScan - thickness

Model Crome VR MRI SureScan – top angle

Model Crome VR MRI SureScan – bottom angle

Model Cobalt XT DR MRI SureScan with two different connector configurations

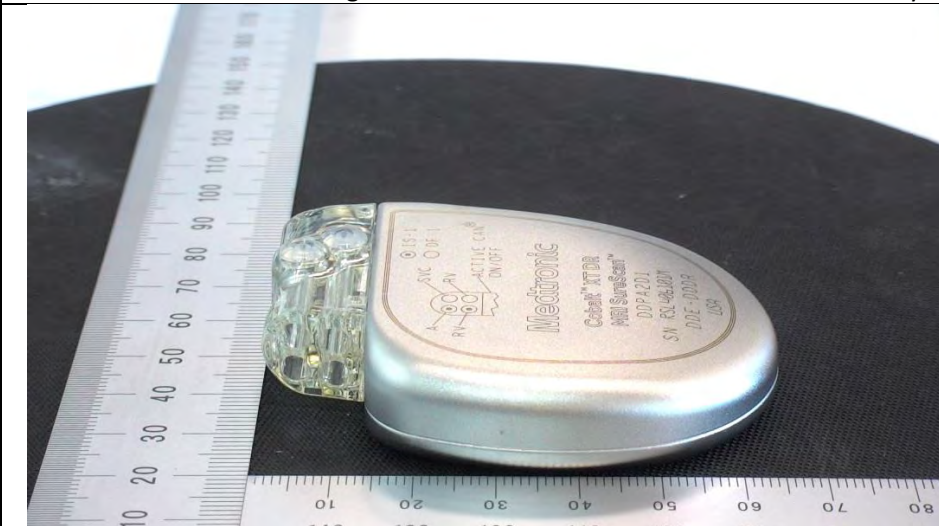

Connector Type DR_DF4

Connector Type DR_DF-1

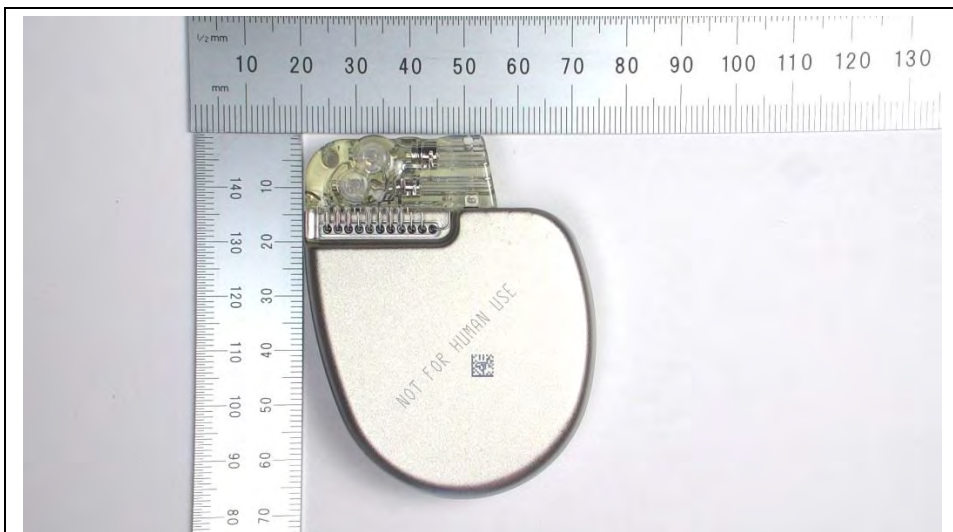

Note: All other external images of the Cobalt XT DR MRI SureScan show only the DR_DF-1 connector type

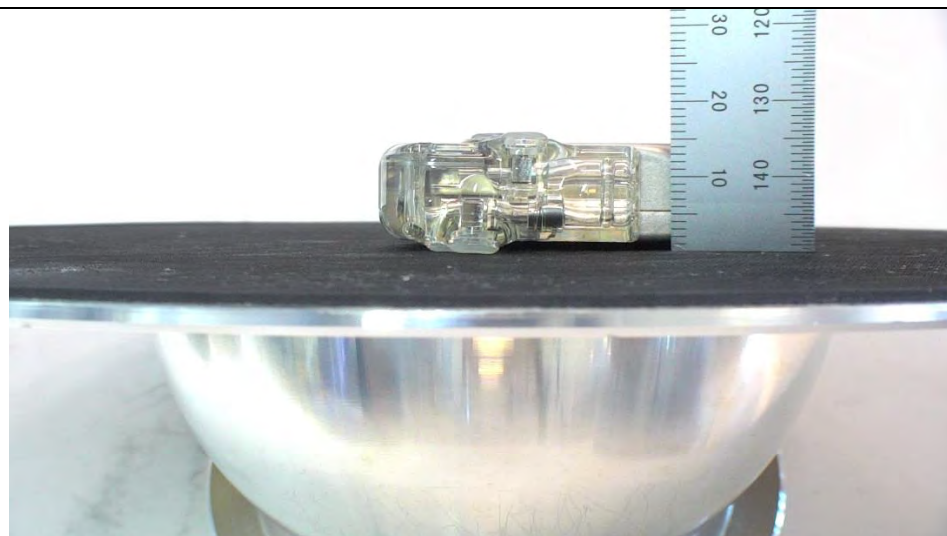

Model Cobalt XT DR MRI SureScan – left angle

Model Cobalt XT DR MRI SureScan – right angle

Model Cobalt XT DR MRI SureScan - back

Model Cobalt XT DR MRI SureScan - thickness

Model Cobalt XT DR MRI SureScan - top angle

Model Cobalt XT DR MRI SureScan - bottom angle

Model Cobalt DR MRI SureScan with two different connector configurations

Connector Type DR_DF4

Connector Type DR_DF-1

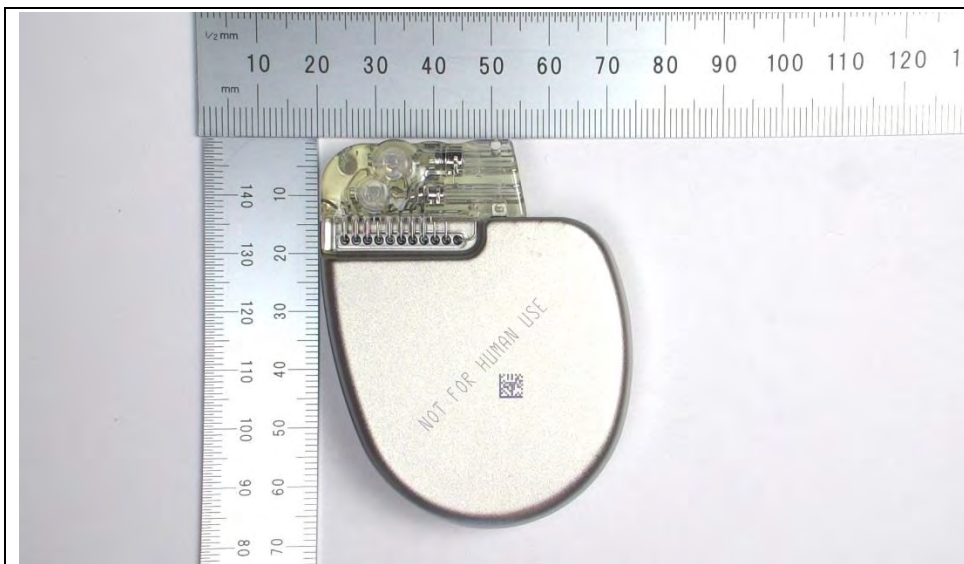

Note: All other external images of the Cobalt DR MRI SureScan show only the DR_DF-1 connector type

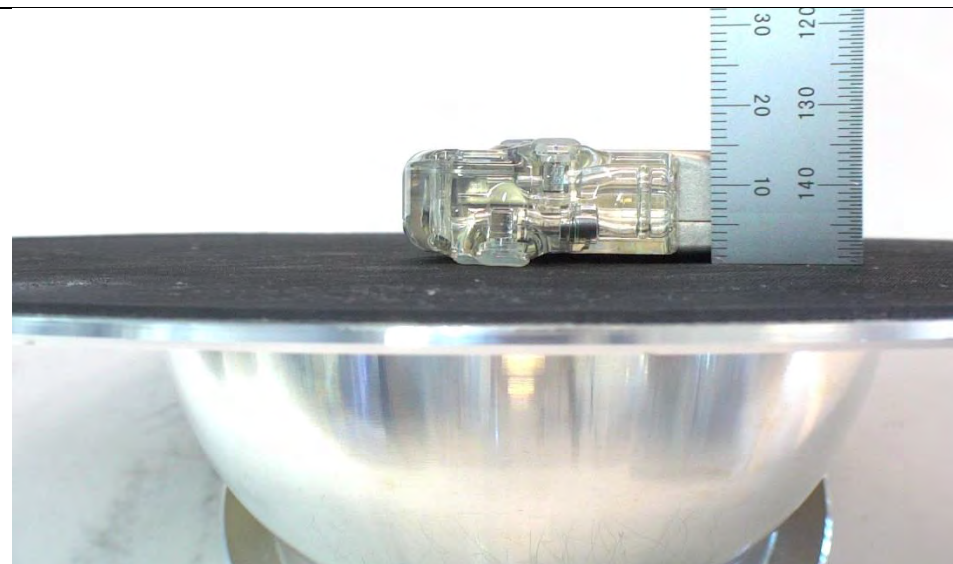

Model Cobalt DR MRI SureScan – left angle

Model Cobalt DR MRI SureScan – right angle

Model Cobalt DR MRI SureScan - back

Model Cobalt DR MRI SureScan - thickness

Model Cobalt DR MRI SureScan – top angle

Model Cobalt DR MRI SureScan – bottom angle

Model Crome DR MRI SureScan with two different connector configurations

Connector Type DR_DF4

Connector Type DR_DF-1

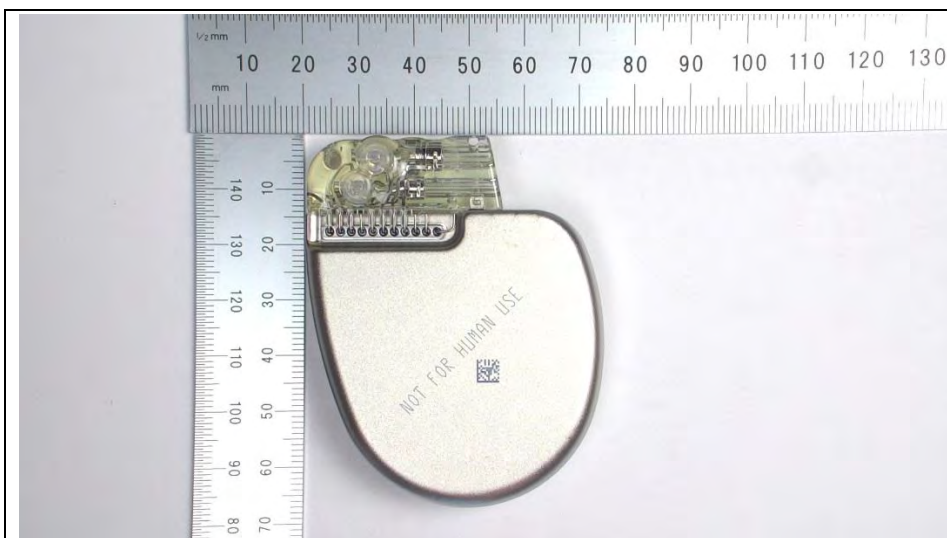

Note: All other external images of the Crome DR MRI SureScan show only the DR_DF-1 connector type

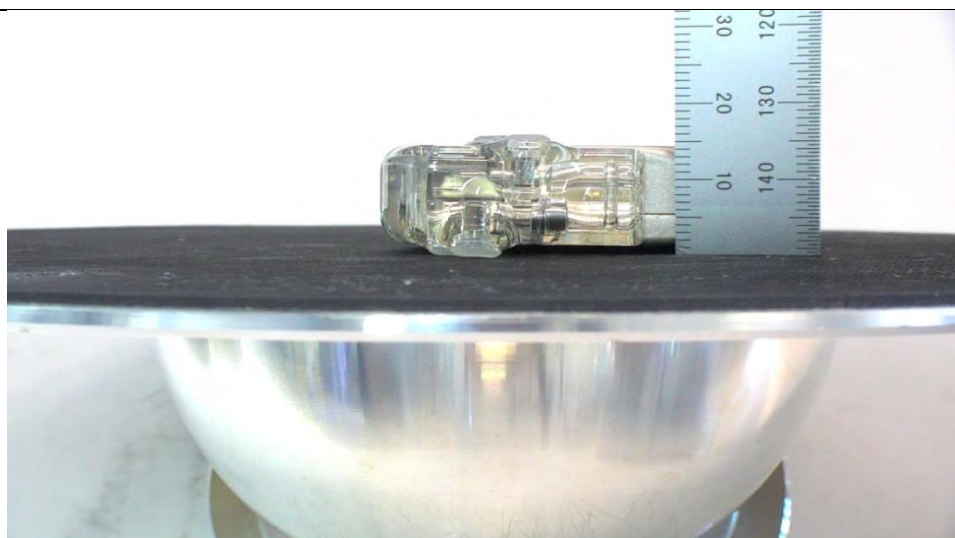

Model Crome DR MRI SureScan – left angle

Model Crome DR MRI SureScan – right angle

Model Crome DR MRI SureScan - back

Model Crome DR MRI SureScan - thickness

Model Crome DR MRI SureScan – top angle

Model Come DR MRI SureScan – bottom angle

Model Cobalt XT HF CRT-D MRI SureScan with two different connector configurations

Connector Type CRT_DF4

Connector Type CRT_DF-1

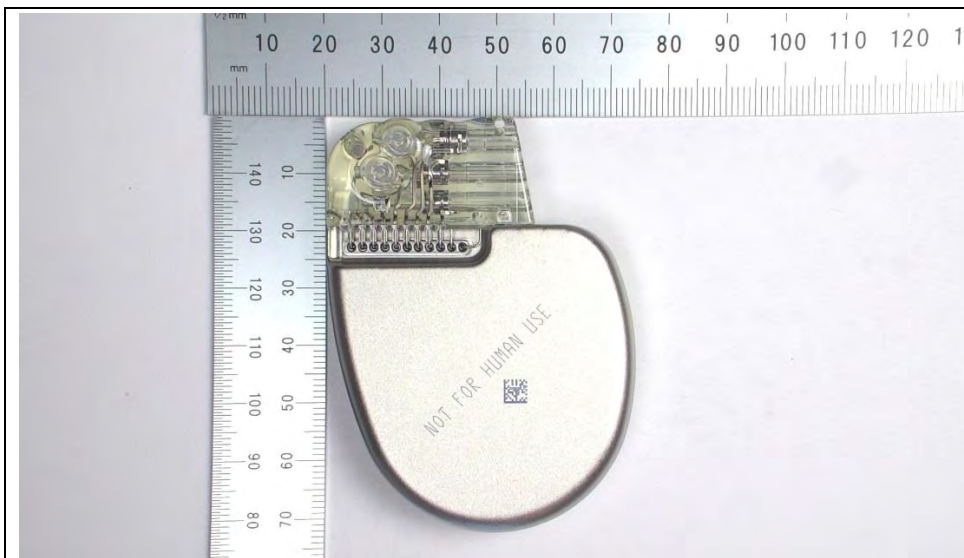

Note: All other external images of the Cobalt XT HF CRT-D MRI SureScan show only the CRT_DF-1 connector type

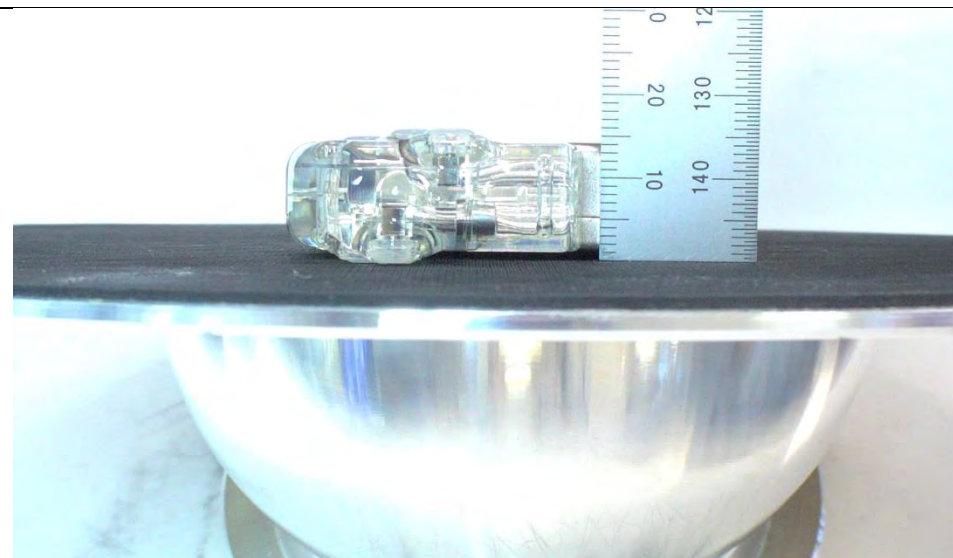

Model Cobalt XT HF CRT-D MRI SureScan – left angle

Model Cobalt XT HF CRT-D MRI SureScan – right angle

Model Cobalt XT HF CRT-D MRI SureScan - back

Model Cobalt XT HF CRT-D MRI SureScan - thickness

Model Cobalt XT HF CRT-D MRI SureScan - top angle

Model Cobalt XT HF CRT-D MRI SureScan - bottom angle

Model Cobalt HF CRT-D MRI SureScan with two different connector configurations

Connector Type CRT_DF4

Connector Type CRT_DF-1

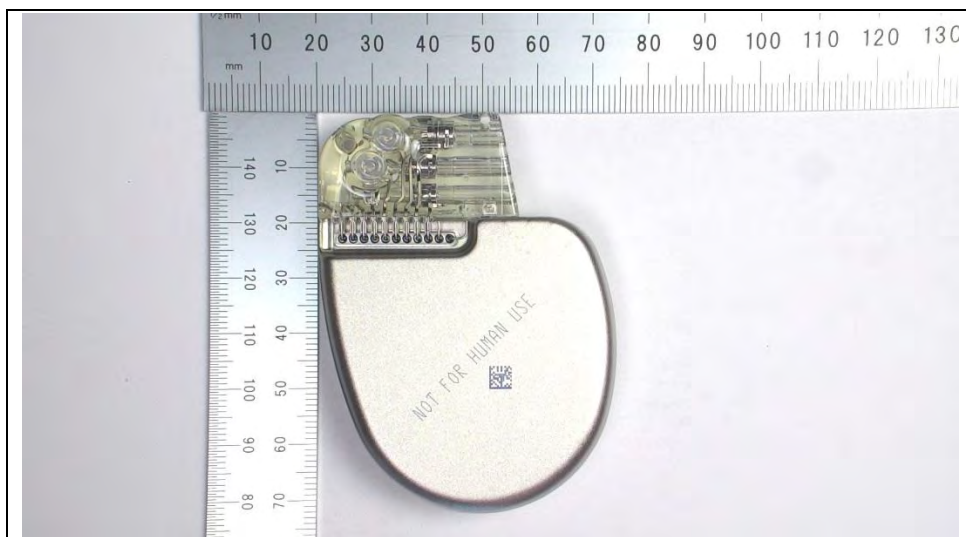

Note: All other external images of the Cobalt HF CRT-D MRI SureScan show only the CRT_DF-1 connector type

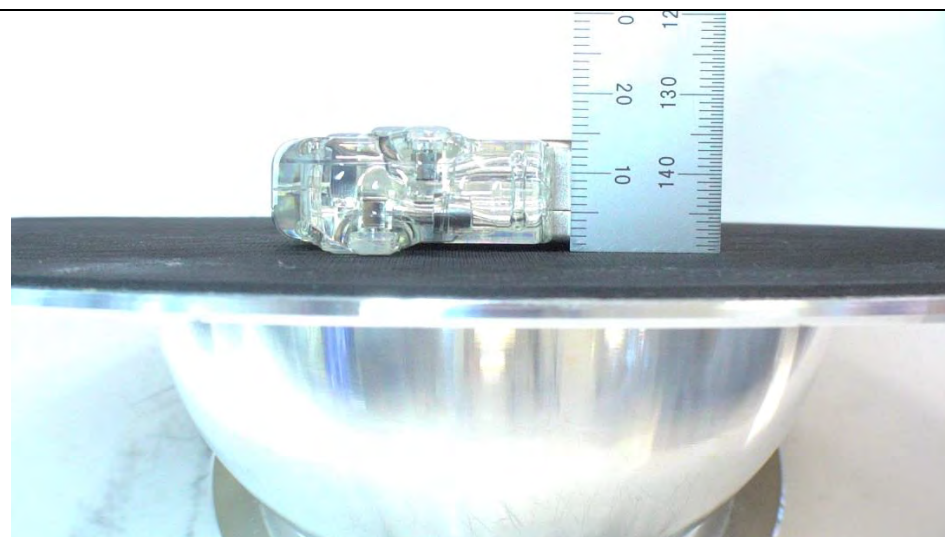

Model Cobalt HF CRT-D MRI SureScan – left angle

Model Cobalt HF CRT-D MRI SureScan – right angle

Model Cobalt HF CRT-D MRI SureScan - back

Model Cobalt HF CRT-D MRI SureScan - thickness

Model Cobalt HF CRT-D MRI SureScan – top angle

Model Cobalt HF CRT-D MRI SureScan – bottom angle

Model Crome HF CRT-D MRI SureScan with two different connector configurations

Connector Type CRT_DF4

Connector Type CRT_DF-1

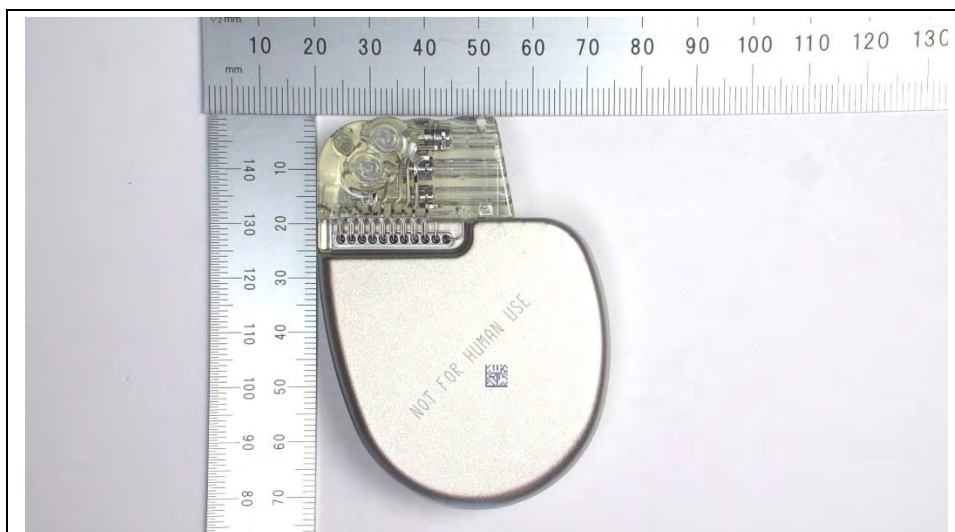

Note: All other external images of the Crome HF CRT-D MRI SureScan show only the CRT_DF-1 connector type

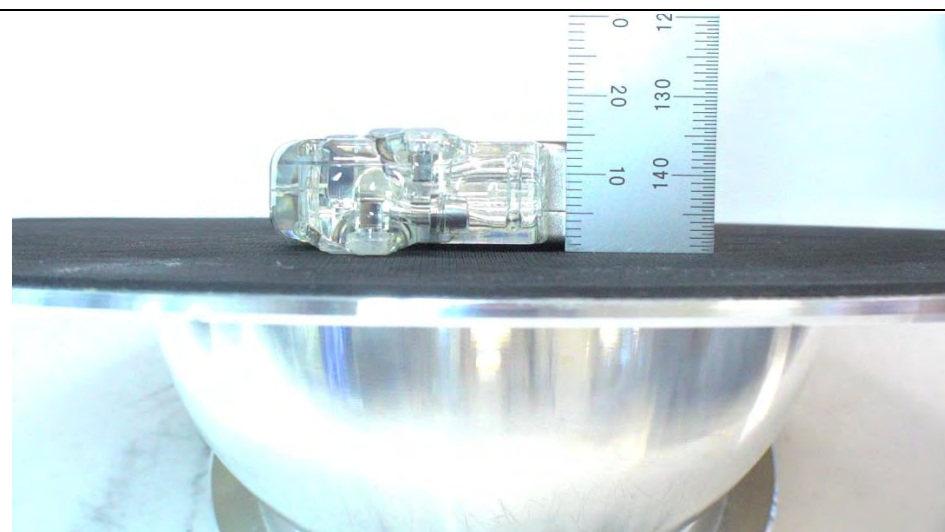

Model Crome HF CRT-D MRI SureScan – left angle

Model Crome HF CRT-D MRI SureScan – right angle

Model Crome HF CRT-D MRI SureScan - back

Model Crome HF CRT-D MRI SureScan - thickness

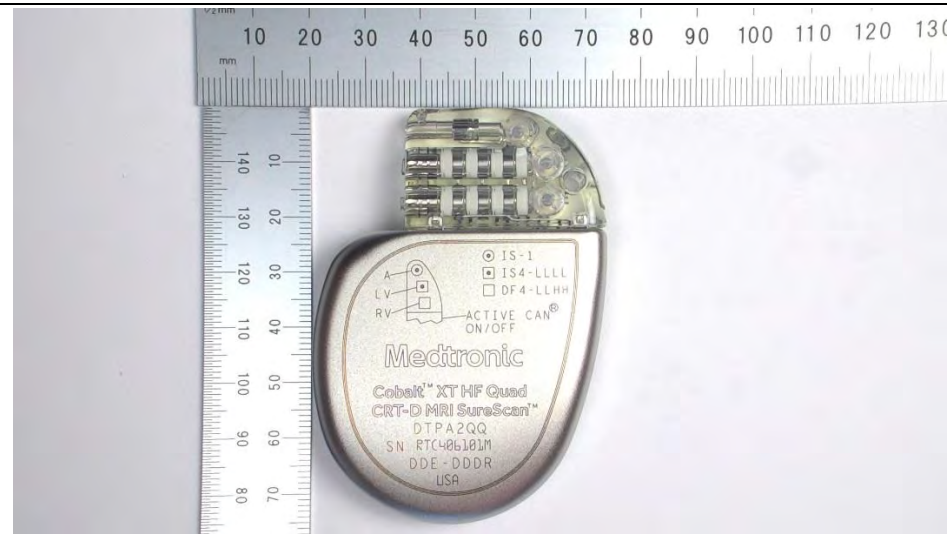

Model Crome HF CRT-D MRI SureScan - top angle

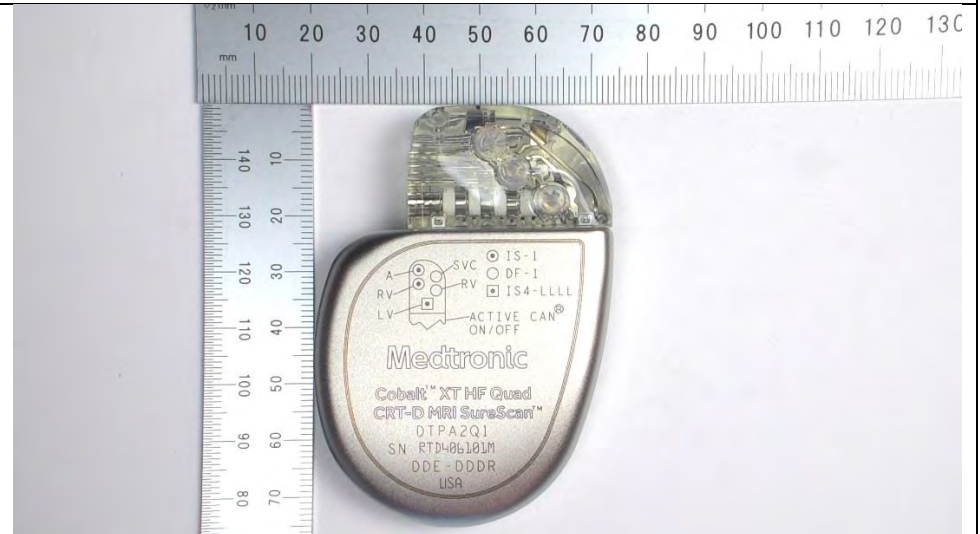

Model Crome HF CRT-D MRI SureScan - bottom angle

Model Cobalt XT HF Quad CRT-D MRI SureScan with two different connector configurations

Connector Type QP_DF4

Connector Type QP_DF-1

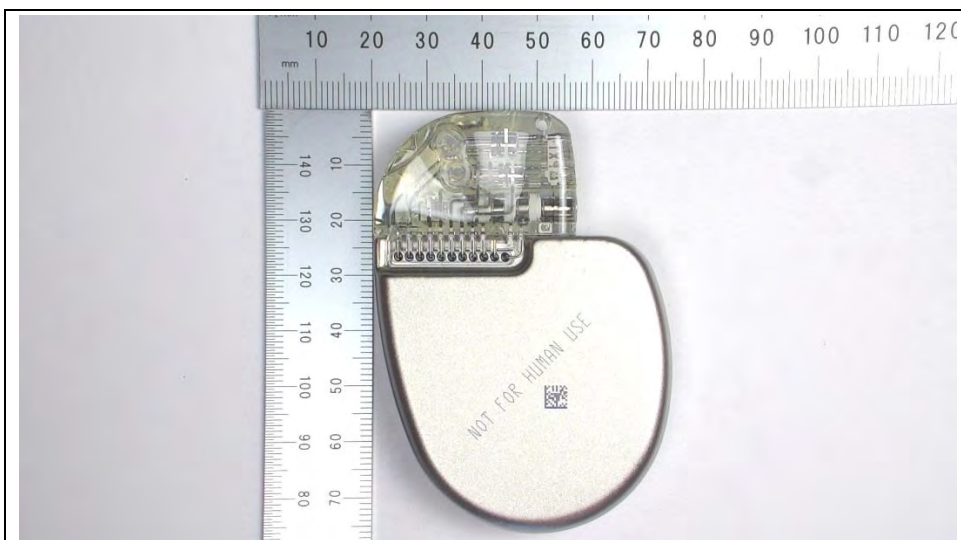

Note: All other external images of the Cobalt XT HF Quad CRT-D MRI SureScan show only the QP_DF-1 connector type

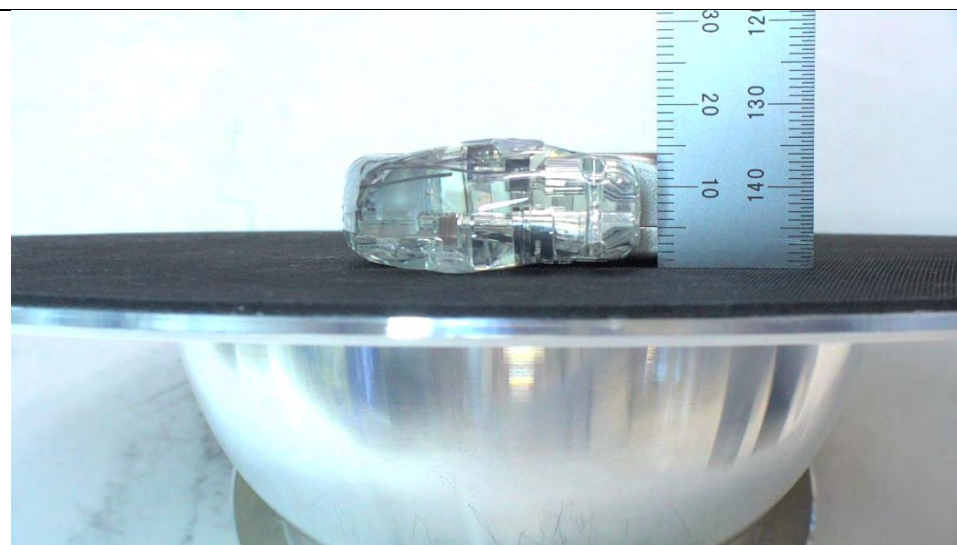

Model Cobalt XT HF Quad CRT-D MRI SureScan – left angle

Model Cobalt XT HF Quad CRT-D MRI SureScan – right angle

Model Cobalt XT HF Quad CRT-D MRI SureScan - back

Model Cobalt XT HF Quad CRT-D MRI SureScan - thickness

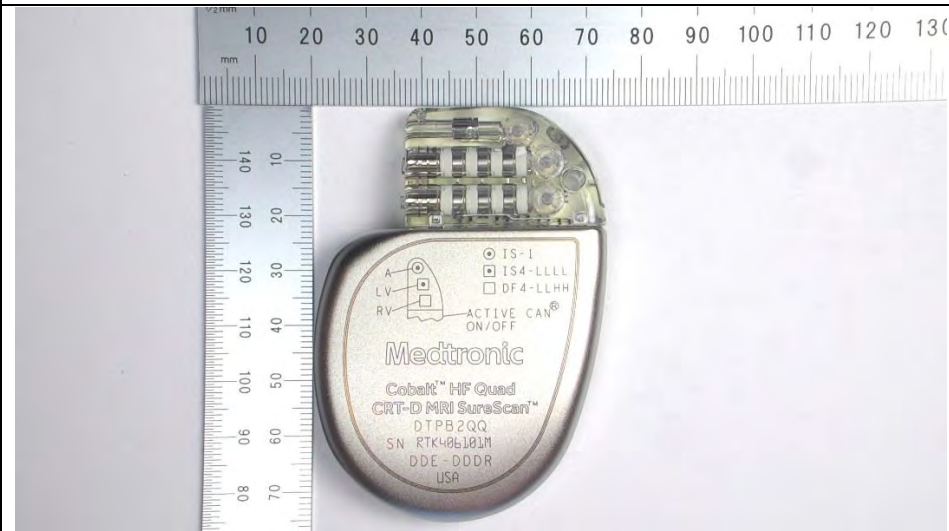

Model Cobalt XT HF Quad CRT-D MRI SureScan – top angle

Model Cobalt XT HF Quad CRT-D MRI SureScan – bottom angle

Model Cobalt HF Quad CRT-D MRI SureScan with two different connector configurations

Connector Type QP_DF4

Connector Type QP_DF-1

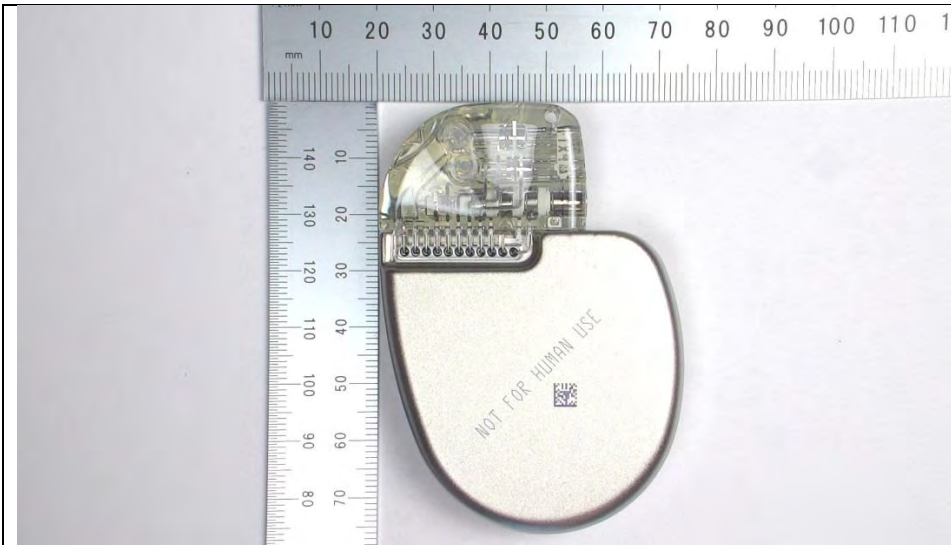

Note: All other external images of the Cobalt HF Quad CRT-D MRI SureScan show only the QP_DF-1 connector type

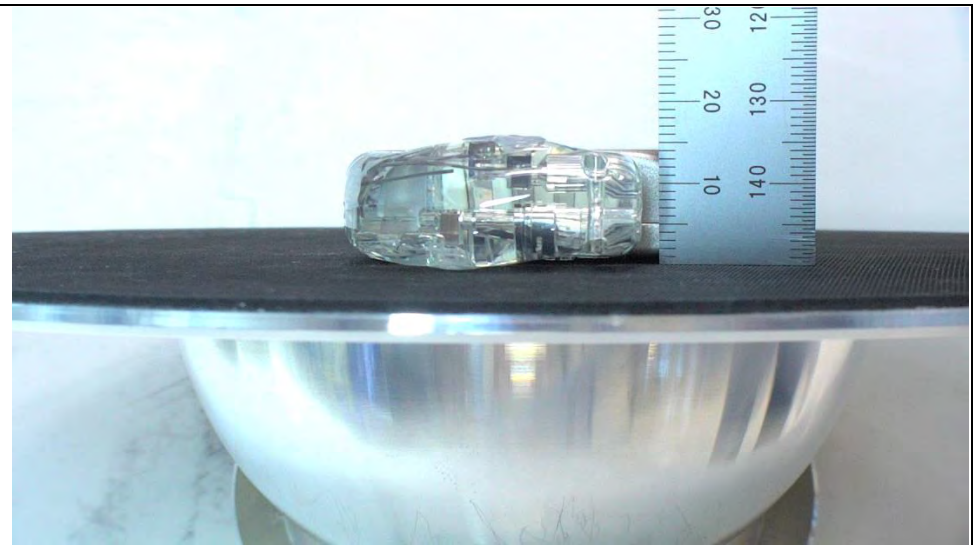

Model Cobalt HF Quad CRT-D MRI SureScan – left angle

Model Cobalt HF Quad CRT-D MRI SureScan – right angle

Model Cobalt HF Quad CRT-D MRI SureScan - back

Model Cobalt HF Quad CRT-D MRI SureScan - thickness

Model Cobalt HF Quad CRT-D MRI SureScan – top angle

Model Cobalt HF Quad CRT-D MRI SureScan – bottom angle

Model Crome HF Quad CRT-D MRI SureScan with two different connector configurations

Connector Type QP_DF4

Connector Type QP_DF-1

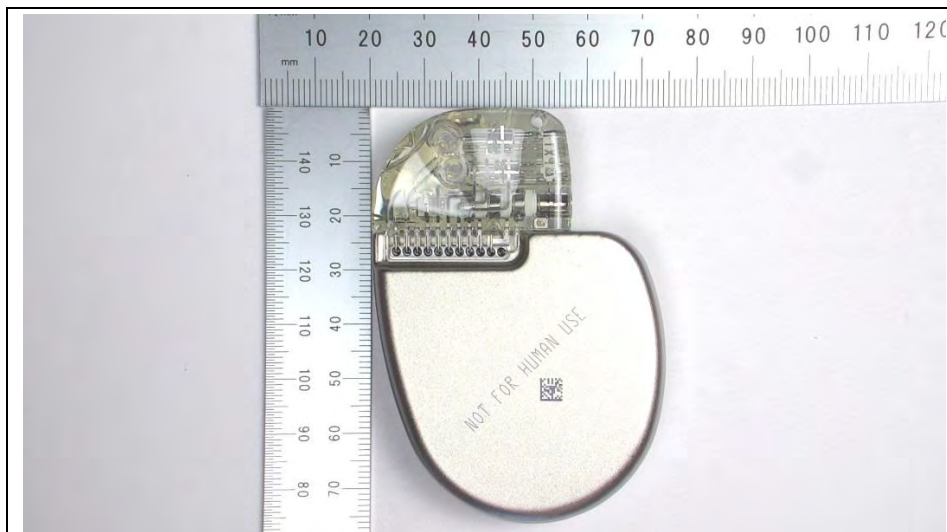

Note: All other external images of the Crome HF Quad CRT-D MRI SureScan show only the QP_DF-1 connector type

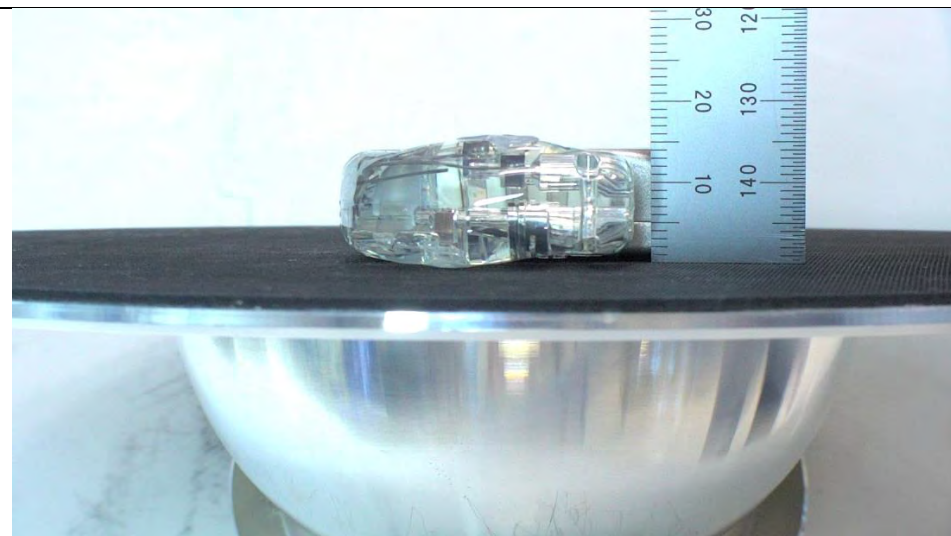

Model Crome HF Quad CRT-D MRI SureScan – left angle

Model Crome HF Quad CRT-D MRI SureScan – right angle

Model Crome HF Quad CRT-D MRI SureScan - back

Model Crome HF Quad CRT-D MRI SureScan - thickness

Model Crome HF Quad CRT-D MRI SureScan – top angle

Model Crome HF Quad CRT-D MRI SureScan – bottom angle
