

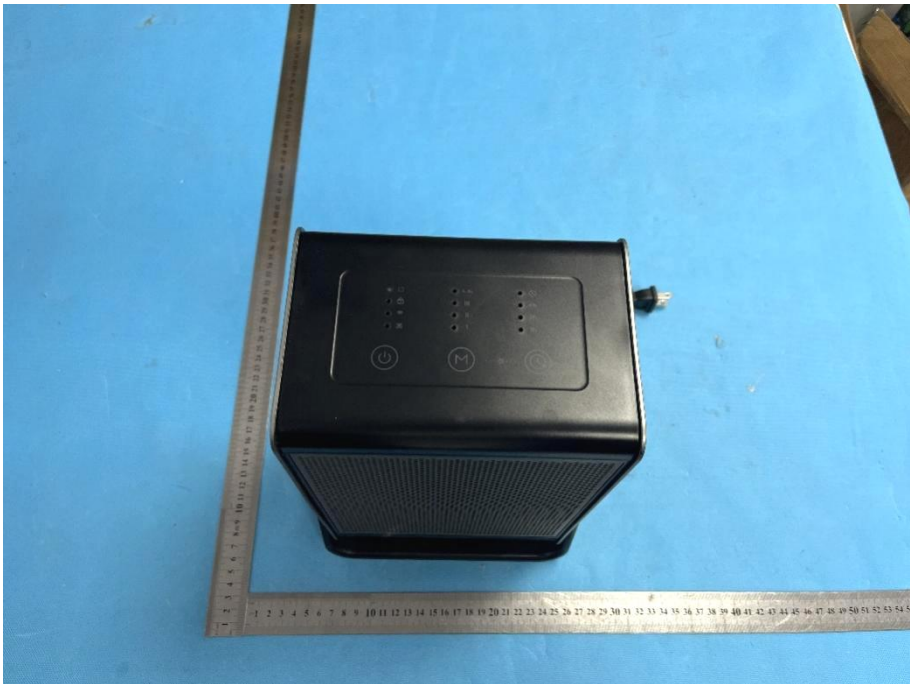

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1

EUT View 2

EUT View 3

EUT View 4

EUT View 5	 A black rectangular electronic unit is shown from a front-three-quarter perspective. It features a large, black, rectangular ventilation grille on its front face. A black power cord is plugged into the back and loops to the right. The unit is placed on a blue surface next to a wooden ruler for scale. The ruler shows the unit is approximately 15 cm wide and 10 cm high.
EUT View 6	 A silver and black electronic unit is shown from a front-three-quarter perspective. It has a distinctive shape with a silver upper half and a black lower half that tapers to a point. A circular control knob with a silver face is located on the top surface. A black power cord is plugged into the back and loops to the left. The unit is placed on a blue surface next to a wooden ruler for scale. The ruler shows the unit is approximately 15 cm wide and 10 cm high.

EUT View 7	 A photograph showing the back of a black electronic device, possibly a power supply unit, resting on a blue surface. A metal ruler is placed vertically to the left of the device for scale. A small white label with technical specifications is visible on the top left of the device's back panel. A black cable is connected to the bottom of the device.
EUT View 8	 A photograph showing the front of a white electronic device, possibly a power supply unit, resting on a blue surface. A metal ruler is placed vertically to the left of the device for scale. The front panel features several status LEDs and three large circular buttons labeled with power, a fan icon, and a reset icon. A black cable is connected to the top of the device.

EUT View 9	
EUT View 10	

EUT View 11	 A photograph of a white, rectangular electronic unit (EUT) with a black power cord. The unit features a large black grille on the front and a smaller grille below it. It is positioned next to a metal ruler for scale. The background is a blue surface.
EUT View 12	 A photograph of the same white, rectangular electronic unit (EUT) from a different angle. It shows the bottom of the unit, which has a white plastic base. A black power cord is attached to the top. A metal ruler is placed next to it for scale. The background is a blue surface.
