731 Confirmation No.: EA562274 Correspondence Reference No.: 28651 Request for Tech. Info.: 03/18/05

Dear Mr. Lyles:

Submitted herewith is an amendment provided in response to the request for technical information dated March 18, 2005.

1. There were no modifications to the circuit board traces/layout that would affect the frequency determining circuitry.

We trust this information is sufficient to resolve the FCC questions regarding this application. If you have any further questions, please do not hesitate to contact us.

Sincerely,

Steve Kim
