Board View 2**

Solder Board-Component View 1	 This image shows the top view of a green printed circuit board (PCB) component. The board is populated with various electronic components, including a large silver-colored integrated circuit (IC) in the center, several smaller surface-mount components, and a USB connector at the top. A black ruler is placed horizontally below the board, showing measurements in millimeters. The board is positioned on a blue textured surface.
Solder Board-Component View 2	 This image shows the bottom view of the same green PCB component. The underside of the board is visible, showing the solder pads and the reverse side of the components. A black ruler is placed horizontally below the board, showing measurements in millimeters. The board is positioned on a blue textured surface.
