Subject: Request for revoking the Class II Permissive Change grant on the FCC-ID:  
CNTWM3B2200BGA that covers the PP2170 (Sapphire) platform.

Gentlemen:

As appointed agent for the Hewlett Packard Company, 20555 SH 249, Houston, Texas 77070, we would like to request that the Class II Permissive Change grant on the FCC-ID: CNTWM3B2200BGA that covers the PP2170 (Sapphire) platform be revoked. This is because the Hewlett Packard Company would like to obtain a new FCC-ID for this particular project.

No product has been sold or distributed under this FCC ID for the PP2170 (Sapphire) platform (the one that is covered under the Class II Permissive Change).

If you have any questions, please do not hesitate to contact us at (714) 579-0500.

Sincerely,

A handwritten signature in black ink that reads 'Kyle Fujimoto'. The signature is stylized, with the first name 'Kyle' in a cursive script and the last name 'Fujimoto' in a more formal, slightly cursive script.

Kyle Fujimoto  
Test Engineer
