Solder
Board-Component View
1

Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) with various electronic components, including integrated circuits, capacitors, and resistors. The board is positioned on a blue textured surface. A black ruler with white markings is placed horizontally below the board, showing measurements in millimeters. The board's dimensions are approximately 100 mm by 60 mm.
Solder Board-Component View 3	 A photograph of a blue printed circuit board (PCB) with electronic components. A prominent feature is a large, circular, gold-colored component in the center. The board is placed on a blue textured surface. A black ruler with white markings is positioned horizontally below the board, showing measurements in millimeters. The board's dimensions are approximately 60 mm by 40 mm.

Solder Board-Component View 4	 A photograph showing a blue solder mask component on a black surface. A ruler is visible on the left and bottom, indicating dimensions in millimeters. The component is rectangular with a blue circuit pattern and a small circular feature.
Antenna View	 A photograph showing the internal components of a device, including the PCB and antenna. Red boxes and lines highlight the WIFI Antenna and NFC Antenna locations. WIFI Antenna NFC Antenna
