FAQ

Question 3
Bad call quality.

ES Problema 3: Mala calidad de la llamada
PT Problema 3: Qualidade ruim de chamadas
ID Masalah 3: Kualitas panggilan buruk

Reason
1. The microphone is blocked with dirt.
2. The microphone is blocked after the earbud comes into contact with water or sweat.

Solution
1. Use a cleaning cloth to remove dirt from the microphone.
2. Use a hair dryer to blow into the microphone hole for 10 seconds.

ES Solución: 1. Use un paño de limpieza para eliminar la suciedad del micrófono. 2. Use un secador de pelo para soplar en el agujero del micrófono durante 10 segundos.
PT Solução: 1. Use um pano de limpeza para remover a sujeira do microfone. 2. Use um secador de cabelo para soplar no orifício do microfone durante 10 segundos.
ID Solusi: 1. Pakai kain pembersih untuk membersihkan kotoran dari mikrofon. 2. Pakai pengering rambut untuk meniupkan ke lubang mikrofon selama 10 detik.

ATTENTION

Please wear the earbuds correctly according to the instructions. Do not pull or twist the earbuds violently.

• Use original or certified cables
• Do not expose to liquids
• Do not disassemble
• Avoid dropping
• Avoid extreme temperatures
• Do not use the product outdoors during a thunderstorm
• Do not use any corrosive cleaner/oil to clean

ES ATENCIÓN
Use los auriculares correctamente conforme a las instrucciones. No tire o doble los auriculares con violencia.
• Use cables originales o certificados
• No lo exponga a líquidos
• No lo desmonte
• Evite caerlos
• Evite temperaturas extremas
• No use el producto en exteriores durante una tormenta
• No use ningún limpiador corrosivo o aceite para limpiarlo

PT ATENÇÃO
Use os auriculares corretamente de acordo com as instruções. Não puxe ou torça os auriculares com violência.
• Use cabos originais ou certificados
• Não exponha a líquidos
• Não desmonte
• Não deixe cair
• Evite temperaturas extremas
• Não use o produto em ambientes externos durante uma tempestade
• Não use nenhum limpiador corrosivo ou óleo para limpar

ID PERHATIAN
Gunakan earbud dengan benar sesuai petunjuk. Jangan menarik atau memutar earbud dengan kasar.
• Gunakan kabel asli atau terjamin kualitasnya
• Jangan mengekspos produk pada cairan
• Jangan membongkar produk
• Hindari jatuh
• Hindari suhu ekstrem
• Jangan gunakan produk di luar ruangan selama hujan badai
• Jangan gunakan pembersih atau minyak korosif untuk membersihkan earbud

CONSIDERATE HINTS

1. Do not turn up the volume to a fair high level constantly as this could shorten the service life of this product or impair your hearing.
2. When encounter any fault-during repair, please cut off the power supply and disconnect the Type-C cable to prevent further damage to the product or other components.
3. The wireless transmission range or connectivity could be affected by low battery power. In that case, please recharge immediately.

ES Tenga en cuenta lo siguiente
1. No ajuste el volumen hasta un nivel elevado constantemente ya que esto puede acortar la vida útil del producto y afectar a su audición.
2. Cuando encuentre cualquier defecto durante el mantenimiento, corte la alimentación y desconecte el cable Tipo C para evitar que se dañe más el producto o que se afecte la conectividad.
3. El rango de transmisión inalámbrica o la conectividad pueden verse afectados por una potencia baja de la batería. En ese caso, recargue inmediatamente.

PT Dicas consideráveis
1. Não aumente o volume a um nível constantemente alto demais, logo que pode reduzir a vida útil deste produto ou prejudicar sua audição.
2. Quando encontrar qualquer defeito durante o reparo, desligue a fonte de alimentação e desconecte o cabo Tipo C. Isso evitará danos adicionais ao produto ou outros componentes.
3. O alcance de transmissão sem fio ou a conectividade podem ser afetados por uma potência baixa da bateria. Nesse caso, recarregue imediatamente.

ID PERHATIAN
1. Jangan menaikkan volume terus-menerus ke level yang tinggi karena hal ini bisa mempersingkat masa pakai produk atau merusak pendengaran Anda.
2. Jika menemukan masalah selama proses perbaikan, matikan daya dan cabut kabel Tipe C untuk mencegah kerusakan lebih lanjut pada produk atau komponen lainnya.
3. Rentang transmisi nirkabel atau konektivitas bisa terpengaruh jika daya baterai rendah. Dalam kasus ini, segera isi ulang daya.

WARRANTY TERMS & CONDITIONS

1. All quality-related defects on items sold directly by oraimo or oraimo's authorized resellers are covered by an extensive warranty, starting from the date of purchase.
2. oraimo's limited warranty is restricted to the country of purchase. The limited warranty is void on items taken outside the country they were originally bought in or shipped to directly from an authorized online purchase.
3. This warranty covers only original oraimo products. It is not applicable to normal wear and tear, or any defects arising from damage caused by misuse of this product.
4. Warranty is for the primary product only not transferable. Any free additional product(s) are not covered in this warranty.
5. If the product fails regardless of usage in compliance with the instruction manual and other written precautions, replacement will be provided free of charge.
6. To claim the warranty, contact the services team from the platform or store where you bought from.
