

Solder Board-Component View 2	 A photograph of a small, rectangular printed circuit board (PCB) component. The board is populated with various electronic components, including integrated circuits, capacitors, and resistors. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10).
Antenna View	 A photograph of the same PCB component, now housed within a white plastic enclosure. The enclosure is open, revealing the internal components. Three red boxes with leader lines point to specific antenna locations: 'Zigbee/Thread Ant' at the top left, '2.4G WIFI Ant 2' at the top right, and 'BLE/2.4G WIFI /5G WIFI Ant 1' at the bottom center. The background is a blue textured surface.
