Specifications

Spezifikationen | Specifiche | Especificaciones | Spécifications |仕様 | Specificaties | Spezifikationer | Specyfikacje | تحديد

Model Number	P75-P1
Capacity	5000mAh / 18Wh
Battery Type	Lithium Battery
Size	3.9*2.6*0.4in / 9.9*6.7*0.9cm
Weight	3.7oz / 105.8g
Output Capacity	3000mAh / 5V / 15Wh (Typical energy loss accounted)
Input	IN(USB-C): 5V $\Rightarrow$ 3A ,9V $\Rightarrow$ 1.67A 15W (max)
Output	OUT(USB-C): 5V $\Rightarrow$ 3A 9V $\Rightarrow$ 2.22A 12V $\Rightarrow$ 1.67A 20W (max) OUT Wireless: 5W / 7.5W / 10W / 15W
Compatibility	Only for iPhone 12 series and later
Sensing Distance	$\leq$ 0.16in / 4mm (Magnetic Phone Case Only)

MADE IN CHINA

FCC ID: 2A2ND-P75

IC: 27617-P75

Nicht zerlegen oder modifizieren
Nicht kurzschließen
Nicht im Feuer entsorgen
Nicht hohen Temperaturen aussetzen

IT

Non smontare o modificare
Non cortocircuitare
Non gettare nel fuoco
Non esporre ad alte temperature

ES

No desensamblar ni modificar
No cortocircuitar
No desechar en el fuego
No exponer a altas temperaturas

This marking indicates that this product should not be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmentally safe recycling.

FR

Ne pas démonter ni modifier
Ne pas court-circuiter
Ne pas jeter au feu
Ne pas exposer à des températures élevées

NL

Niet demonteren of modificieren
Niet kortsluiten
Niet in het vuur gooien
Niet blootstellen aan hoge temperaturen

SV

Demontera eller modifiera inte
Kortslut inte
Kassera inte i eld
Utsätt inte för höga temperaturer

PL

Nie demontować ani modyfikować
Nie zwierać
Nie wyrzucać do ognia
Nie wystawiać na działanie wysokiej temperatury

TR

Sökmeye veya değiştirmeye
Kısa devreye yapma
Ateşe atma
Yüksek sıcaklıklara maruz bırakma

IC Caution:

RSS-Gen Issue 5 "G" RSS-Gen numéro 5

- English:

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSSI(s). Operation is subject to the following two conditions:
(1) This device may not cause interference.
(2) This device must accept any interference, including interference that may cause undesired operation of the device.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

RF exposure statement:

The device was evaluated to meet general RF exposure requirements. The device can be used in portable exposure condition without restriction.

- French:

Cet appareil contient des émetteurs / récepteurs exemptés de licence conformes aux RSS (RSS) d'Innovation, Sciences et Développement économique Canada. Le fonctionnement est soumis aux deux conditions suivantes:
(1) Cet appareil ne doit pas causer d'interférences.
(2) Cet appareil doit accepter toutes les interférences, y compris celles susceptibles de provoquer un fonctionnement indésirable de l'appareil.

Tout changement ou modification non expressément approuvé par la partie responsable de la conformité pourrait annuler l'autorité de l'utilisateur à utiliser l'équipement.

Déclaration d'exposition RF:

L'appareil a été évalué pour répondre aux exigences générales en matière d'exposition aux RF. L'appareil peut être utilisé en condition d'exposition portable sans restriction.

FCC Warning:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-- Reorient or relocate the receiving antenna.
-- Increase the separation between the equipment and receiver.
-- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-- Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement

The device has been evaluated to meet general RF exposure requirement.
