

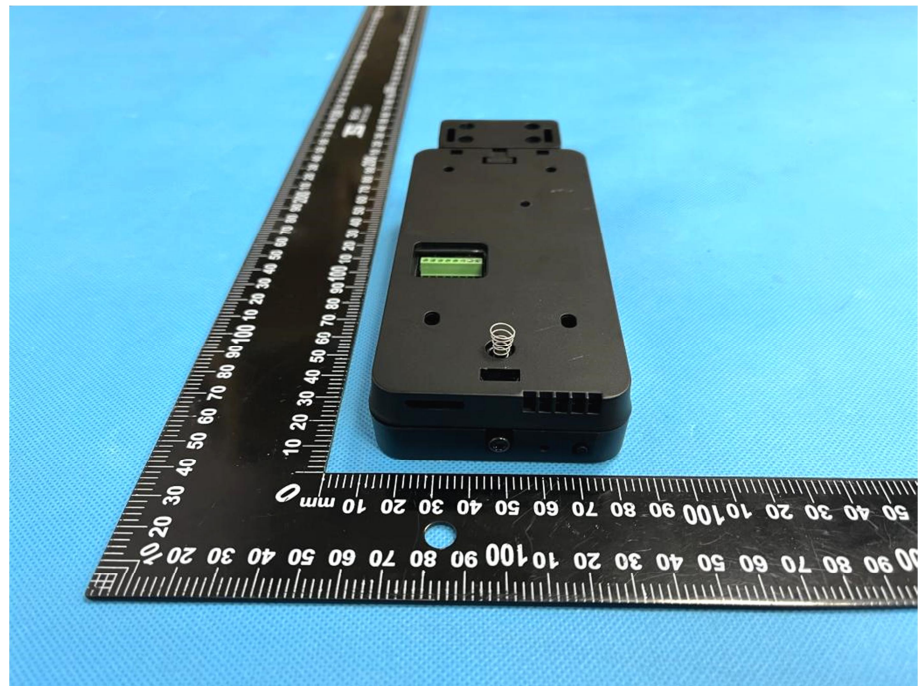

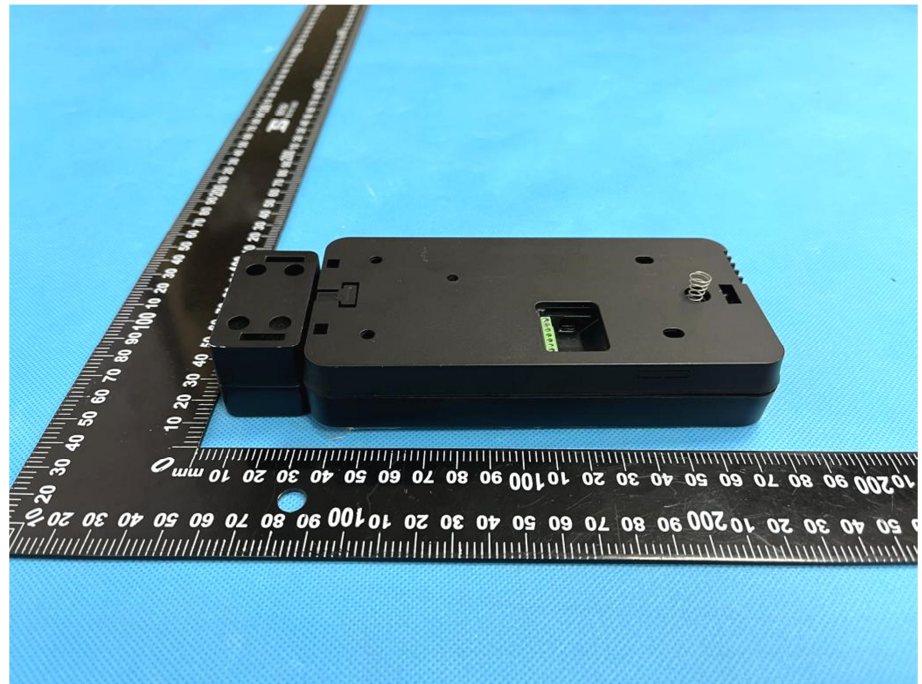

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

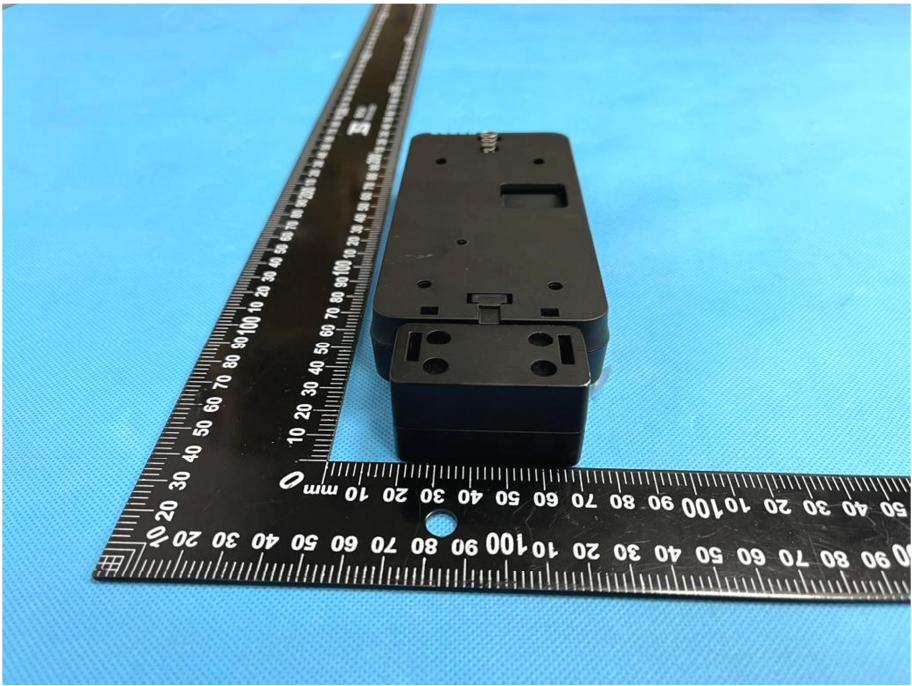

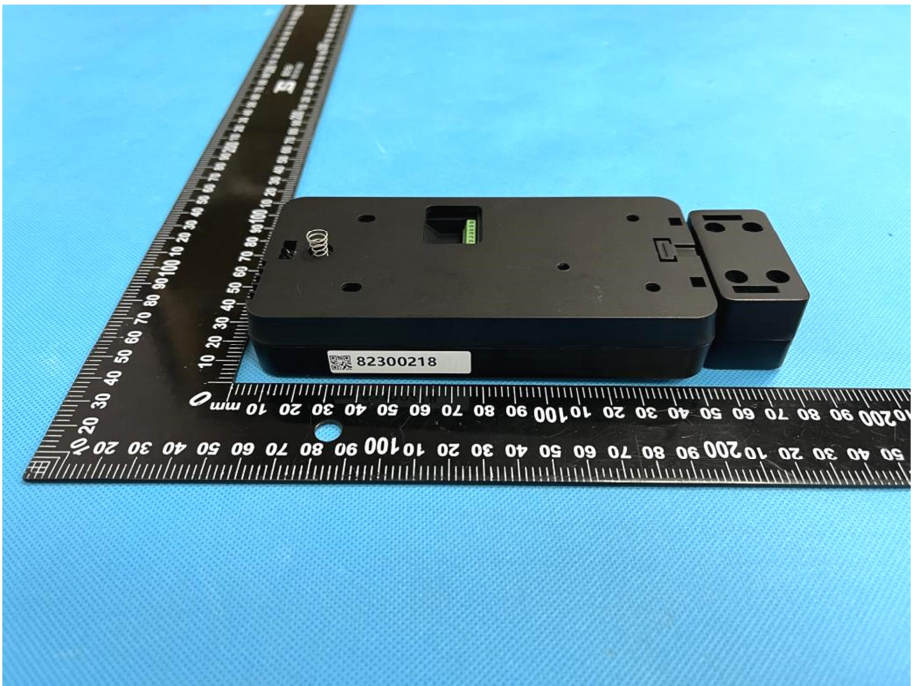

EUT View 1	 A photograph showing the front view of a black electronic device, likely a mobile phone or PDA. The device has a large screen in the center, a camera lens at the top, and a circular port at the bottom. It is placed on a blue surface next to a black ruler with white markings. The ruler is oriented vertically, showing measurements in centimeters and millimeters.
EUT View 2	 A photograph showing the back view of the same black electronic device. The back features a small rectangular label in the center, a circular port at the bottom, and a small rectangular port at the top. It is placed on a blue surface next to a black ruler with white markings, similar to the first view.

EUT View 3

EUT View 4

EUT View 5	 A black electronic device, likely a test fixture or probe, is shown from a top-down perspective. It is rectangular with rounded corners and features several circular holes and a small rectangular slot. A black ruler with white markings is placed horizontally below the device, indicating its length is approximately 100 mm. The background is a light blue textured surface.
EUT View 6	 A black electronic device, similar to the one in View 5, is shown from a top-down perspective. It has a label with the number "82300218" and a small green component. A black ruler with white markings is placed horizontally below the device, indicating its length is approximately 100 mm. The background is a light blue textured surface.
