Dear Stan,  
Here are our answers:

- 1). This letter serves as a confirmation that this notebook PC (FCC ID: NKRBQ12AB) does not contain a Blue tooth transmitter. The models with Blue tooth transmitter will be applied for FCC approval under different FCC ID.
- 2). The SAR measurement Plots are attached. (2\_SAR Test Plots - 802.11b.pdf, 3\_SAR Test Plots - 802.11g.pdf)
- 3). System target verification information is attached. (1\_System Validation Plots.pdf)
- 4). SAR Probe calibration information is attached. (4\_E-Filed Probe.pdf, 5\_Validation Dipole.pdf)
- 5). Test report of worst case position for all data rates and related information is attached.

If you need any additional information, please inform us by mail ASAP.

Thanks for your help.
