

Declaration Letter

Date: August 30, 2017

Dear Sir,

For our business issue and marketing requirement, we would like to list different model number on the FCC and ISED certificates and reports, as following:

FCC ID: BRWBLH9600

IC: 6157A-BLH9600

Model No.: BLH9600, BLH9680

The unique difference between models is the completion level that comes in the box. This is done to suite our customer's needs. For example, BLH9600 comes with a charger and battery and BLH9680 does not. Customers that want BLH9680 already have batteries and chargers and do not want more of them.

Sincerely,

A handwritten signature in black ink, appearing to read "W. Vallee".
