

Class II Permissive Change Letter

Date: May 20, 2022

To Whom It May Concern:

The purpose of this letter is to request Class II Permissive Change for:

FCC ID: **TX2-RTL8821CE**

Original Grant Date: 12/12/2016

Change

#1: Add two host platform, Brand: dynabook, Product: Notebook Computer, Model: SATELLITE PRO C50-K, SATELLITE C50-K

Brand	Model	Difference
dynabook	SATELLITE PRO C50-K	All models are electrically identical, different
	SATELLITE C50-K	model names are for marketing purpose.
The representative test sample is SATELLITE PRO C50-K.		

#2: Add two antennas, the antenna type (PIFA) is the same as the original grant, and the gain of each antenna is lower.

Except for the above differences, the hardware design is identical with the original Grant. Should you have any enquires or comments, please have my best attention.

Sincerely,

9

Dana Liaw / Project Manager Realtek Semiconductor Corp.
