Subject: Certification of the **LR FAMILY**

Applicant: ELA Innovation S.A.

Product: **LR FAMILY**

FCC ID: **RVVELOR AHL1**

To Whom It May Concern:

We would like to submit the above product for Certification concerning FCC certification.  
Please review all required documents enclosed.

The **LR FAMILY** meets the industrial requirements of equipment indoor/outdoor localization. Adapted to **harsh industrial environments**, combining **strength, durability, and lifespan**, the LR Family is based on **LoRa Technology**. This identifying tag makes possible the **identification and localization of industrial equipment** on very long range.

Compliance for RF exposure requirement was demonstrated in the test report.

If you have any queries, please do not hesitate to contact us.

Yours faithfully,
