A black universal remote control is shown horizontally against a light blue background. A ruler is placed above and below the remote for scale. The remote features a central circular navigation pad with an 'OK' button. To the left of the pad are buttons for 'VOL +', 'VOL -', 'MUTE', and 'POWER'. To the right are buttons for 'STB', 'TV', 'OPTION', '1', '2', '3', '4', '5', '6', '7', '8', '9', '0', 'LAST', 'MENU', 'GUIDE', 'TEXT', and 'INFO'. A row of colored buttons (red, green, yellow, blue) is located below the central pad. The ruler indicates the remote is approximately 18 cm long.
