Main Antenna Dimensioned Drawing:

Main Antenna Photo (Front/Back):

[illegible]

The figure consists of four photographs arranged in a 2x2 grid, each showing a small electronic device connected to a coiled cable. The devices are placed on a blue surface next to a ruler for scale. The top-left photo shows a black device with a yellow label. The top-right photo shows a black device with a yellow label. The bottom-left photo shows a white device with a yellow label. The bottom-right photo shows a white device with a yellow label. The cables are coiled in a circular shape, with one end connected to the device and the other end free. The rulers provide a scale for the size of the items, with markings in centimeters and inches.

Include front view photo of all 2 antennas here.
