Request for Confidentiality

Pursuant to Sections 0.457 and 0.459 of the commissions rules, we hereby request that the following documents be held confidential:

Schematics

Schematics DSX.pdf

Technical

Technical description DSX.pdf

Block diagrams DSX.pdf

Internal photos DSX.pdf

Confidentiality Justification

These materials contain trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to the company and provide unjustified benefits to our competitors. The antenna pictured in the document "DSX internal photos.pdf" is a sealed and potted unit that cannot be opened after manufacturing without destroying the contents. The unit will not be made available for sale to the general public. Marketing will be limited to law enforcement, fire fighting, emergency rescue, scientific research institutions, commercial mining companies, construction companies and those parties providing services to these entities pursuant to CFR 47, Part 15, Subpart F, 15.509
