

XT2071-3

## Let's get started

We'll guide you through startup and tell you where to find more information about your phone and its great features.

**Warning:** Do not use a screen protector on your flexible screen. This will damage your phone.

**Note:** To use the headset that comes with your phone, plug it into the USB-C charging/audio port. For a headset with a 3.5mm connector, use the included USB-C/3.5mm adapter.

## Power on

Press and hold the Power button, then follow the prompts to get started. When you're ready, tap  **Moto** >  > **Phone**

**Tips** to explore all the cool things your new phone can do.

**Note:** For the best charging experience, use the Motorola charger that came with your phone. Use of other chargers is not recommended.

## eSIM option

Your phone may have an eSIM or electronic SIM card. With an eSIM, you don't have to worry about inserting a SIM card. It's already there.

For details, contact your service provider.

**Caution:** Your phone doesn't have any removable cards—no SIM or microSD memory card—and no card slots, so there's nothing to insert or remove.

**Insert SIM and memory cards**

## Keep the box

Your box is not only a stand for your phone, it can also amplify the sound.

## Accessories case

Use the convenient folding case to carry your charger, cord, and ear buds.
