

## Cover Letter for FCC application

FCC ID: VBNAZRA-01

Applicant: Nokia Solutions and Networks

This is to request a Class II permissive change for Nokia Airscale Base Station AZRA LAA (FCC ID: VBNAZRA-01) originally granted on 05/08/2018.

We changed following items from the original model:

- Added approved antenna #3 VVSSP-360S-F.
- Added approved antenna #4 GQ2410-06645.
- Added approved antenna #5 2205.

We submitted following documents related to this change. There is no change before and after change except for these documents:

- AZRA\_C2PC\_FCC\_RF\_Test\_Report\_D563462429.
- installing\_cabling\_airscale\_micro\_rrh.

Thank you for your attention to this matter.
