Legal Notice

Usage of this document, and all information (including product information) provided within, are subject to the following terms and conditions, and all applicable laws. If you do not agree with these terms, please do not access or use the remainder of this document.

This document contains **highly confidential** information, which is proprietary to ESML SD IBERIA Holding SA. And/or its affiliates (hereafter, "**SD**"). No part of this document's contents may be used, copied, disclosed or conveyed to any third party in any manner whatsoever without prior written permission from SD.

The information included in this document is intended for your knowledge and for negotiation purposes only. SD makes no implicit representations or warranties with respect to such information.

The information included in this document is subject to change without notice. Any decision to rely on the information contained herein shall be at your sole responsibility, and SD will not accept any liability for your decision to use any information or for any damages resulting there from.

Certain laws do not allow limitations on implied warranties or the exclusion or limitation of certain damages. If these laws apply to you, some or all of the above disclaimers, exclusions, or limitations may not apply to you.

By using the information contained herein, you agree that the laws of the country of Spain, without regard to principles of conflict of laws, will govern any dispute of any sort that might arise between you and SD regarding the information contained herein, and any such dispute shall be settled exclusively in the competent courts of Madrid, Spain.

All registered or unregistered trademarks, product names, logos and other service marks mentioned within this document are the property of SD, or their respective owners. Nothing contained herein shall be construed as conferring by implication, estoppels, or otherwise any license or right, either express or implied, under any patent or trademark of SD or any third party. No use of any trademark may be made without the prior written authorization of SD.

This document and all of its contents are protected intellectual property of SD. Any copying, reprinting, reuse, reproduction, adaptation, distribution or translation without the prior written permission of SD is prohibited.
