Request for Class II Permissive Change

To whom it may concern:

This letter serves as an official request to update the FCC listing of the modular approval for FCC ID: PVH0953 to show compliance with the FCC U-NII New Rules including software security requirements.

The equipment is described as follows:

Brand name: u-blox
Model: ODIN-W160
FCC ID: PVH0953

- There has not been made any hardware change on the WLAN-module ODIN-W160
- The output Tx-power of WLAN-module ODIN-W160 has not been changed
- This request is accompanied by a software security declaration
- The Hardware, Firmware and power setting of WLAN-module ODIN-W160 have not been changed and are identical to the EUT used for the original testing thus the original test reports are still valid

Thank you for your attention in this matter.

Mats Andersson
Senior Director Technology, u-blox
