Board View 2**

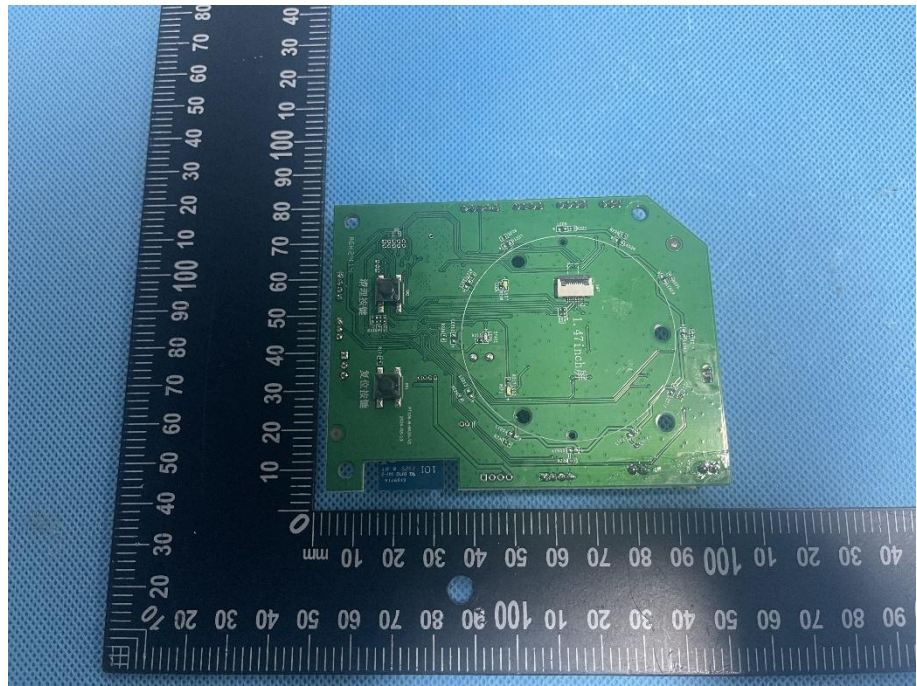

Solder Board-Component View 1	 A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 1'. The board is rectangular and populated with various electronic components, including a red component on the left, a black integrated circuit in the center, and several white connectors on the right. It is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows measurements from 0 to 100 mm.
Solder Board-Component View 2	 A photograph of the same green PCB component, labeled 'Solder Board-Component View 2', showing the reverse side. The board features several solder joints and components on its underside. It is positioned on the same blue textured surface next to the same black ruler, providing a second perspective of the component's dimensions and layout.

Solder Board-Component View 3	 A photograph of a small green printed circuit board (PCB) component, labeled 'WTH25X02033836W', mounted on a blue textured surface. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The component is oriented vertically, with its longer side parallel to the ruler's 0-100 mm scale.
Solder Board-Component View 4	 A photograph of the same green PCB component from a different angle, showing the underside. The component is labeled 'WTH25X02033836W' and 'WTH25X02033836W'. It is positioned next to a black ruler with white markings, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The component is oriented vertically, with its longer side parallel to the ruler's 0-100 mm scale.
