

Antenna specifications

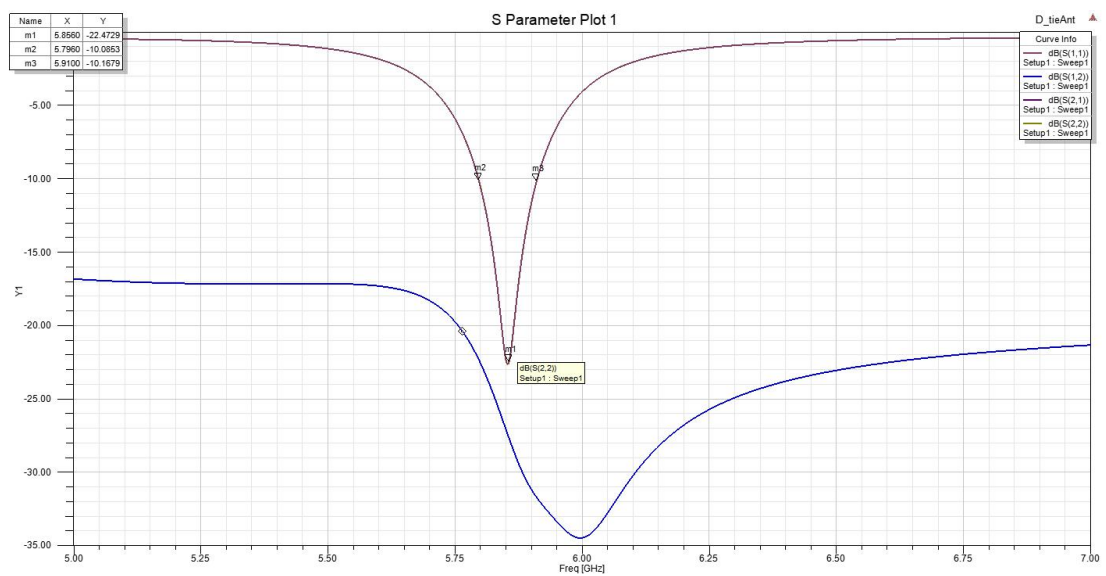

1. Antenna size diagram

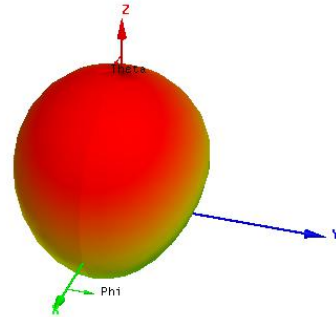

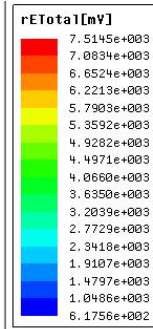

Antenna metal patch: 10.9*11.1mm

Antenna gnd: 14*14mm

2. 2D/3D Gain pattern

3. 2D/3D Simulation data sheet

S11:5.85GHz@-22.4dB

Manufacturer:

Shenzhen EasyDetek Technology Cp., Ltd.

Address: Room 402, Building B, Jianyuan Zhichuang Park, Xixiang Street, Baoan District, Shenzhen, China

Model: W112H2445

Antenna Gain: 7.50 dBi

We statement that All measurements were performed radiated and therefore additional antenna gain documentation is not required.
