SAFETY WARNINGS: PLEASE READ BEFORE USE

FCC STATEMENT

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

SPASTUDIO™ VANITY

CONTENTS

- Mirror
- Power Adapter
- Magnetic Mini Mirror

FEATURES

- Qi Wireless Charge Pad
- Dimmable LED Light
- 1X, 5X and 10X Magnifications
- Flip 180°

GETTING STARTED

01 POWER

1. Make sure the mirror and power adapter are completely dry.
2. Attach the power adapter to the mirror.
3. Attach the other end of the adapter to a power outlet.

02 CHARGE

1. Remove any phone accessories. A non-metal phone case up to 3mm in thickness can be used.
2. Place your device on the stand with the screen facing out in landscape or portrait mode. Center your device if charging does not start.

03 MAGNIFY

1. Flip mirror to your favorite magnification
2. Place the 10X magnetic mini mirror at the center of the mirror for added magnification.

USING YOUR MIRROR

- Tap the power icon to turn on LEDs
- Adjust brightness by sliding your finger between the power and sun icons.
- Press and hold the power icon to turn off LEDs.
- LEDs will automatically power off after 2 hours.
