Gentlemen,

In accordance with 0.459 of CFR 47, CSI Wireless Inc hereby requests confidentiality of all Block Diagrams, Circuit Schematic Diagrams, Assembly Drawings, and Parts List attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product, which CSI Wireless Inc considers to be proprietary, confidential, and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, CSI Wireless Inc considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
