Re: Original Limited Single Modular Approval for Panasonic RFID Module, Model RI23A
under FCC ID: ACJ9TGRI23A
(for Installation within Panasonic RFID Accessory Model FZ-VNF402)

To whom it may concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §0.457, §0.459), we are requesting the Commission to withhold the following attachments as **permanent** confidential documents from public disclosure.

- Theory of Operation
- Block Diagram
- Schematics
- Parts List

Above mentioned document contains detailed system and equipment description are considered as proprietary information in operation of the equipment. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market.

In addition, please be advised that Panasonic Corporation of North America hereby requests the following filed sensitive information to be held under **short-term** confidential, pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's Rules and the provisions in FCC Public DA 04-1705. We request temporarily confidentiality of 90 days, starting from the original issued Certification grant date.

- Photographs
- Test Setup Photographs
- Operating Instructions (User's Manual)

Panasonic also acknowledges that we will provide appropriate notice to UL Verification Services Inc. should either of the following occur:

- If we require additional 90 days extension period, we will notify UL Verification Services Inc. with a new request letter at least seven days prior to the short-term confidentiality expiration date, or
- We will immediately notify UL Verification Services Inc. in the event the information regarding the product or the product is made available to the public. UL Verification Services Inc. will then release the documents listed above for public disclosure, pursuant to FCC Public Notice DA 04-1705.

Thank you for your attention in this matter.

Sincerely,

Ben Botros
Manager – Regulatory and Compliance
