Request for Confidentiality**

Pursuant to 47 CFR 0.457(d) and 47 CFR 0.459 of the FCC Rules, Itronix Corporation and Cisco Systems Inc. hereby request confidentiality of the Block Diagram(s), Schematic Diagram(s), and Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product in which Itronix Corporation and Cisco Systems Inc. consider proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Itronix Corporation and Cisco Systems Inc. consider this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
