LED WIRELESS SPEAKER</p> <p>LE-SHOW/BLU ENGLISH</p>	<p><b>MANUAL (ENGLISH)</b> <b>Charging the Bluetooth Speaker</b></p> <ul style="list-style-type: none"><li>• Please make sure battery is fully charged before initial use.</li><li>• To charge your Splash LED Wireless Speaker, connect the supplied Micro USB cable into the Micro-USB charging port and connect the other end to a USB power outlet (5V adaptor not included). LED indicator will illuminate RED to indicate that the speaker is charging. Allow approximately 3-4 hours charging time to fully charge the speaker. When battery is fully charged, the LED will turn off.</li></ul> <p><b>Operating the Bluetooth Speaker</b></p> <ol style="list-style-type: none"><li>1. Turn the Bluetooth Speaker ON by holding down the power button (1) for Two Seconds. The speaker LED ring will be white light and tone prompts you the device is pairing mode.</li><li>2. Enable Bluetooth search mode on your smartphone and select pairing name "LE-SHOW" on your Bluetooth device list. Once the speaker has successfully connected, you'll hear a beep.</li><li>3. To change the LED ring's color, press the "bulb" button (2).</li><li>4. To Power down the Speaker, hold down the start button (1) for Two Seconds. The LED ring will shut off.</li></ol>	 <p>CHARGING PORT</p> <p>ON/OFF/PAIRING</p> <p>BULB BUTTON</p> <p>1 2</p> <p><b>Safety and Care Instructions:</b></p> <ul style="list-style-type: none"><li>• Do not attempt to disassemble the unit.</li><li>• Repairs to electrical equipment should only be performed by a qualified service person. Improper repairs may place user at risk and void warranty.</li><li>• Do not puncture or harm the exterior surface of the product in any way.</li><li>• Do not drop or let the unit fall from high places, as doing so may damage the device.</li><li>• Do not use this unit for anything other than its intended use or purpose. Doing so may damage the device and void warranty.</li></ul>	<ul style="list-style-type: none"><li>• This product is not a toy. Keep out of reach of children.</li><li>• Do not expose batteries or battery pack to excessive heat or open flame.</li><li>• Do not expose the unit to extremely high or low temperatures as this will shorten the life of the device, destroy the battery, and/or distort certain parts.</li><li>• Do not use abrasive cleaning solvents to clean the unit. In order to prolong battery life, turn off when not in use.</li></ul> <p>NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"><li>- Reorient or relocate the receiving antenna.</li><li>- Increase the separation between the equipment and receiver.</li><li>- Connect the equipment into an outlet on a circuit different</li></ul>	<p>from that to which the receiver is connected.</p> <p>-Consult the dealer or an experienced radio/TV technician for help.</p> <p>Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</p> <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.</p> <p>BT ID: D051448 FCC ID: 2AANZSHOW</p>
