Dear Sir/Madam,

We, Blue Ocean Gear, have requested that internal photos of our product be placed under long term confidentiality. Our product is sealed when sold and no one other than authorized company representatives are allowed to open it in order to perform repairs or testing. No pictures of the internals of the product are shared publicly via product brochures or on our website. Only vendors and related parties who have signed NDAs are provided access to pictures or videos of the internals. Photos of our product mechanical design, printed circuit boards and other internal features are not publicly shared including via social media.

Sincerely,

A handwritten signature in black ink, appearing to read "Kortney Opshaug".
