

## Photo documentation – test setup pictures

File: 37598-02-00  
Applicant: Continental Automotive GmbH  
Model: 995364

Transmit power of fundamental

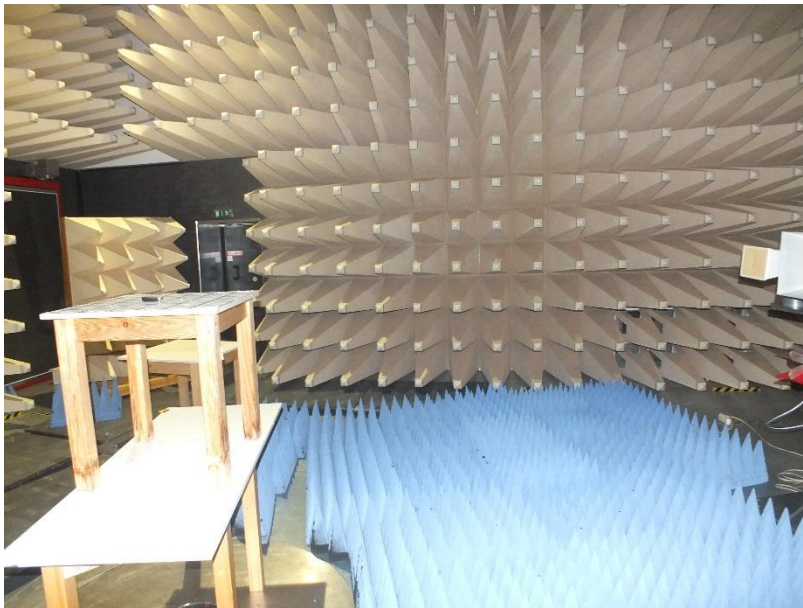

Unwanted emissions 9 kHz – 30 MHz

Unwanted emissions 30 MHz – 1000 MHz

Unwanted emissions 1 GHz – 4 GHz

Bandwidth measurements, maximum peak conducted output power, power spectral density, band edge compliance
