**Re: Itronix Corporation
FCC ID: KBCIX260PROAC580
FCC Part 24(E) - Certification
Request for Confidentiality**

Pursuant to 47 CFR 0.457(d) and 47 CFR 0.459 of the FCC Rules, Itronix Corporation and Sierra Wireless Inc. hereby requests confidentiality of the Schematic Diagram, Circuit Description, Operational Description, Tune-Up Procedure, and Antenna Specifications attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product in which Itronix Corporation and Sierra Wireless Inc. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Itronix Corporation and Sierra Wireless Inc. considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in blue ink that reads "Fred Phillips". The signature is fluid and cursive, with the first and last names clearly legible.

Fred Phillips
Certification Engineer
ITRONIX CORPORATION
