Re: Certification for Lear Corporation  
Transmitter, Model  
FCC ID: KOBDR05A  
IC: 3521A-R05B

**FCC and IC ID LABEL and STATEMENT**

The following drawings outline the 2 different cosmetic versions of this receiver with Immobilizer. The internal PCB is the same between all versions, however with different component population. The label(s) below will be laser etched on the outside and on the back of the plastic case of the transmitter.

The following statement will be printed in the User's Instruction Manual

---

This device complies with Part 15 of the FCC Rules and with RSS-210 of the Industry Canada.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

**WARNING:** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
