Declaration letter

For our business issue and marketing requirement, we would like to list different model number as following:

**Model No. : AC-FIDES-02-B,**
      AIR: EO-00005-01
      GND: EO-00006-01

Model Difference:
1. The difference between the two models is only MCU firmware and does not affect the RF.
2. The fimware of the two MCU models is different.The AIR model can choose to transmit witheither RF1 or RF2, whereas the GND model supports transmission only with RF1.
The difference between these two is the difference between the Air module and the Gnd module.
3. EO-00005-01 This code stands for AIR, EO-00006-01 this code stands for GND, these two are internally named models, the external sales model is AC-FIDES-02-B, the difference is only used for marketing purposes.

Sincerely,
