Subject: FCC Part 90 Certification of Melard's Rugged handheld computer with integrated wireless communications using a Research in Motion R902M radio modem (transmitter) module (FCC ID L6AR902M-2-0), Mobitex

Gentlemen:

Enclosed herewith, please find an application for Part 90 Certification on behalf of Melard Technologies Inc., on their product: **Rugged handheld computer with integrated wireless communications (Sidearm All-Terrain Handheld PC)**. This product incorporates a Research in Motion R902M radio modem module (FCC ID L6AR902M-2-0). In submitting the application, we are requesting for certification of the final integrated product under an unique FCC ID (see below) using Melard's own grantee code (ESD). The final integrated product has been tested in accordance with the applicable requirements of parts 2 and 90. The test data are presented in Exhibit 2. Based on the test data it is concluded that the final integrated product meets the applicable requirements of the above standards.

FCC ID: ESD-SA896941R9
PRODUCT: Rugged handheld computer with integrated wireless Communication
MODEL: Sidearm ALL-Terrain Handheld PC™ with a Rim 902M radio modem module
EUT TYPE: Licensed Non-Broadcast Station Transmitter (TNB)
TX Frequency: 896-902 MHz
MEASURED ERP: 0.676 W

Enclosed please find: Letter of Authorization, Request for Confidentiality Letter, Letter from RIM.

Reports for ERP, Field Strength for Spurious Radiation (Measurement Data, Test set-up photographs), and Test data for Bandwidth/Bandwidth Limitation, Spurious Emissions for Antenna Terminal, Frequency Stability and SAR Report.

FCC ID Label, internal and external photographs, block diagram (confidential), Schematic diagram (confidential), technical description, parts list and tune-up procedure (Confidential¹), user manual, and the letters for FCC Part 15 compliance and the attestation statement that the final integrated product complies with Part 90.

Best/Regards

To whom it may concern,

Melard Technologies, Inc., of 28 Kaysal Court Armonk, NY 10504, is our customer in good standing and will be producing a Sidearm All-terrain Handheld product which incorporates the RIM 902M radio modem module (FCC ID L6AR902M-2-O).

Melard Technologies, Inc. will be submitting an application for certification of the final integrated product with a unique FCC ID using their own grantee code. Melard Technologies, Inc. will submit SAR and ERP data for the final integrated product. For information about the radio modem module please refer to RIM's submission FCC ID L6AR902M-2-O.

In the past, this method has allowed our customers to integrate the radio modem module without repeating FCC part 90 testing or accessing RIM proprietary confidential information. RIM does not disclose proprietary confidential information about our products. Our FCC submissions are considered proprietary confidential information.

Should you have any questions, please do not hesitate to contact our Senior Certification Engineer, Masud Attayi, at (519) 888-7465 x2442 or by email at mattayi@rim.net.

Yours truly,

Andy Clipsham
