

# IM11-PRT RFID Module Antenna

## Annexure - III

Model : IM11-PRT	FCC ID: HD5-IM11R	IC: 1693B-IM11R
------------------	-------------------	-----------------

## Annexure - III : New RFID Coupler (Lupus14v2) Details for IM11-PRT RFID Module

### - Show compliance with 15.203 antenna requirements:

The Output from IM11-PRT RFID module is connected to the coupler as per below Connection. The module & RFID coupler has a unique coupling mechanism. The RFID coupler Kit (Coupler + 60cm cable) has a 60cm custom made cable with MMCX coupling on the coupler side and U.FL coupling on the other side of the cable which gets connected to the RFID module U.FL port as per below picture
