

# 1. Antenna Description:

|                 |                                                                                                              |
|-----------------|--------------------------------------------------------------------------------------------------------------|
| Antenna type    | PCB antenna                                                                                                  |
| Model           | AS496                                                                                                        |
| Frequency range | 433.88MHz                                                                                                    |
| Manufacturer    | Dongguan AISI Health Care Product Co., Ltd.                                                                  |
| Address         | Floor 4, Building J, Fulin Industrial Park, Taigongling Village, Dalingshan Town, Dongguan, Guangdong, China |
| ANT Peak Gain   | 0 dBi                                                                                                        |

# 2. Antenna Photo:

We statement that All measurements were performed radiated and therefore additional antenna gain documentation is not required.
