RE: Administrative Update

Dear Mr. Fabina,

Thank you for taking the time to speak with me today regarding our equipment certification application for the VHF-4000 (FCC ID: AJK822-1468). As stated in our conversation, Rockwell Collins would like to administratively update the FCC ID to: **AJL8221468** with the corresponding FCC Confirmation Number: EA102774. Please disregard and delete from the system the cover letter (Administrative Update) dated December 14, 2001.

Rockwell Collins would like the FCC ID to be: AJL8221648. In our application, the FCC ID and resultant file number is currently: AJK822-1648. Changing the FCC ID in the computer will make the FCC ID correspond to the FCC ID submitted in the ID Label and Location Information attachment filed on October 19, 2001.

Thank you for assistance. If you have any questions or require any additional information, please do not hesitate to contact me via e-mail or at 703-516-8213.

Sincerely,

Joseph Cramer
