FCC Class II Permissive Change Request Letter

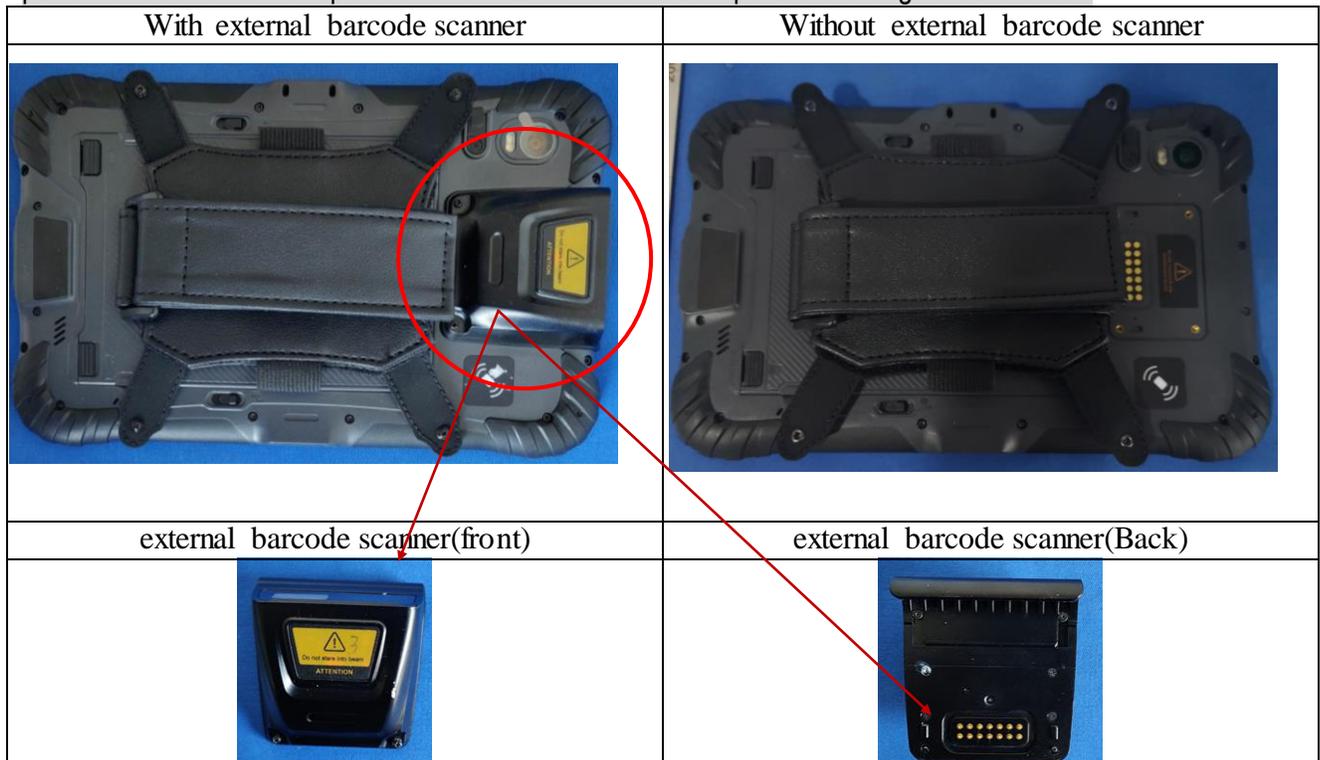

Date: May-30-2021

To FCC:

RE: FCC Permissive II Change Request for Company: Sonim Technologies Inc **FCC ID:** WYPRS80

We are submitting an application for a class II permissive change to the FCC approval of the Company name: Sonim Technologies Inc, product description: Rugged Tablet (FCC: WYPRS80, Original Grant Date: 02/02/2021). The transmitter module itself has not changed. Here are the changes:

1. Removed the external barcode scanner module in equipment back enclosure. The external barcode scanner module is not RF modules. Only remove the barcode scan function, other functions in equipment are not affected. The external barcode scanner module is unintentional emission modules. It does not affect the performance and normal operation of all intentional emission parts of the original certification

2. Add LTE band 38 by SW

Sincerely,

Title Manager
