EUT View 3	 A photograph of a white, rectangular electronic device (EUT) from a top-down perspective. The device features two sets of vertical ventilation grilles on the left side and a large, rectangular sliding cover on the right. It is positioned next to a black ruler with white markings, which shows the device is approximately 100 mm wide and 50 mm high. The background is a blue textured surface.
EUT View 4	 A photograph of the same white electronic device from a side-on perspective. The device has a blue oval logo on the top surface. On the front panel, there is a power switch labeled 'OFF' and 'ON', and a small circular port labeled 'DC INPUT 5V'. A black ruler with white markings is placed below the device, indicating its width is approximately 100 mm. The background is a blue textured surface.
