Smart Lightbulb
A19 LED Bulb

WARNING: Not suitable for use with standard wall dimmers.

Verify that the supply voltage is correct. Connect fixture to a 100 VAC~240 VAC 50/60 Hz power source.

Suitable for Damp Locations.

This device is not intended for use with emergency exit fixtures or emergency lights.

Before replacing, turn off power and let the bulb cool to avoid electrical shock or burn.

Risk of Electric Shock. Do not attempt to open or disassemble the bulb.

Not for use in totally enclosed of recessed fixtures. Suitable for open fixtures only.

Dispose of this device in accordance with disposal laws in your area.

Not compatible with photo sensors, motion sensors or timers unless specifically designed for Ring Smart Lighting.

OPERATING INSTRUCTIONS:

Use the bulb only in a socket rated for this bulb.

This device is not a toy designed to be played with by children.

Do not place the device on hot surfaces.

For safety reasons, do not open devices, which will also void the warranty.

Download the Ring app.

The app walks you through setting up and managing your Ring A19 bulb.

Search for "Ring" in one of these app stores, or visit: ring.com/app

Download on the **App Store**

GET IT ON **Google** play

Set up your Ring Bridge.

The Bridge connects your Ring Smart Lights to the Ring app and the rest of your Ring devices.

To set up your Bridge, follow the instructions in the Ring app or the Bridge user manual.

Set up your A19 in the Ring app.

In the app, tap **Set Up a Device.**

When prompted, select **Smart Lighting** and follow the in-app instructions.

After you've set up your bulb, it's time to install it.

Turn off the power.

Before you continue, make sure you **turn off power** to the light fixture.
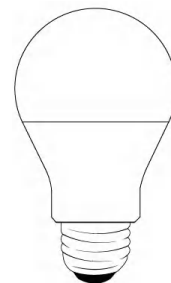

Remove the old bulb.

Turn counterclockwise to remove it from the socket.

Install your A19 Smart Lightbulb.

Insert the bulb into the socket and turn clockwise.

Power it on.

Turn the power back on and wait for your bulb to light up. The light must be on to establish a connection with your Bridge.

You're all set!

Once your bulb lights up, it's ready to use!
