Power button It can realize the operations of furning on, shutting down, sleeping, and Inbertalize the operations of furning on, shutting down, sleeping, and Inbertalize the device.	MDMI port High-definition multimedia interface to connect display devices. Dic charging port DC cover adapter for chareins.
 Keyboard Keyboard layout and content may vary by country and region, please refer to the actual situation. 	Charging indicator light The red light lights up when charging The cosen light farm on when fully charged
• Rependent key After the figureptic is cefered, simply press the finge-print button with the finger that has been recorded it can be undicated at the same time, without entering the password, that and also (Infly aroun modificate seconfigured with the Tripurprint key, please refer to the actual situation.) • Touchpad	USB-C port Connect the power adapter to change the computer. Connect asternal directors such as mobile phones and USB flash drives to transfer data. Connect to a monitor, support projection, and monitor expansion.
Similar to the function of a mouse, it is more convenient to control the computer. Meadphone jack Connect headphones.	(Only some models are configured with this interface, please refer to the actual situation.) Spasker Spanker are not hole.
USD-A port Connect external devices such as mobile phones and USB flash drives to transfer data.	Speaker sound note. Note the fundament statutes mentioned in the above content may have certain differences due to the appoint of the actual model version. Please rater to the actual situation.

Product Series	N15U3 Series
Size	359 x 233 x 18 mm
Weight	1.57 kg (Some models have different configurations, please refer to the actual situation.)
Rated input	19Vdc, 3.42A (Some models have different configurations, please refer to the actual situation.)
Display	15.6 inch 16.9
Keyboard	Three-level backlit keyboard (the configuration of som models is different, please refer to the actual situation
W-Fi	Built-in wireless card
Fingerprint key	It can be unlocked at boot without entering a passwor (Only some models are configured with this Fingerpri key, please refer to the actual situation.)
Webcam	720P
Audio	Built-in multimedia speakers
Operating temperature	5-45°C
Operating humidity	In non-condensing state5%-85%
Packing list	Laptop = 1; Adapter = 1; Product Manual = 1.
