Subject: RADIO Certification of Search Heads

Applicant: XPLORES

Product: XP228

Model: XP228

FCC ID: XFJ228

IC ID: 8392A-XP228

To Whom It May Concern:

We would like to submit the above product for Certification concerning FCC and Canadian rules.

Please review all required documents enclosed.

This application is search heads for metal detector, these 3 search heads of different size use the same electronic circuit board with the same schematic. This circuit board transmits wirelessly metal detection data and configuration data to a remote controller and a wireless headphone. The frequency band used is 2.4ghz.

Compliance for RF exposure requirement was demonstrated in this test report.

If you have any queries, please do not hesitate to contact us.

Regards,

[
Mr Alain Loubet, the November 15/2013

A handwritten signature in black ink, appearing to read 'Alain Loubet', is written over a light blue circular stamp.
