

Solder Board-Component View 1	 A photograph of a green printed circuit board (PCB) component, labeled 'View 1'. The board is rectangular with a central microcontroller unit (MCU) and various surface components. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows dimensions in millimeters (mm) and centimeters (cm). The board is oriented horizontally, with the ruler placed vertically to its left.
Solder Board-Component View 2	 A photograph of the same green PCB component, labeled 'View 2'. This view shows the reverse side of the board, featuring several circular solder pads and a central microcontroller unit. The board is placed on a blue textured surface next to a black ruler with white markings. The ruler shows dimensions in millimeters (mm) and centimeters (cm). The board is oriented horizontally, with the ruler placed vertically to its left.
